

DR. NAGASUBRAMANYAM S

Consultant - Urology

Qualification

MS | DNB | M.Ch(Uro)

Overview

Dr. Nagasubramanyam S is a profoundly talented and experienced urologist interested in neuro-urology, urodynamics, and endo-urology. He offers his patients first-rate urology medicines thanks to his top-to-bottom information and expert abilities. Dr. Nagasubramanyam can associate with a wide assortment of patients in light of his familiarity with English, Kannada, Hindi, Tamil, and Telugu. Dr. Nagasubramanyam provides numerous services to treat urological diseases. He offers urology consultations, carefully evaluating patients' symptoms and medical history and conducting pertinent exams to identify urological disorders correctly. He also specialises in treating urinary incontinence (UI), a prevalent disorder marked by uncontrollable pee leaking. He provides efficient therapies based on his experience to help patients manage and get over UI. Another area of specialisation for Dr. Nagasubramanyam is kidney stone treatment. Kidney stones can initiate pain and discomfort, and Dr. Nagasubramanyam employs the latest techniques and treatments to diagnose and manage kidney stones effectively. He utilises minimally invasive procedures to remove kidney stones and provides

comprehensive care to prevent recurrence. Erectile dysfunction (ED) therapy is another service provided by Dr. Nagasubramanyam. He provides individualised treatment strategies to restore sexual function and enhance the general quality of life because he is a urologist and is aware of the physical and psychological effects this ailment has on patients. For the same reason, he is considered the foremost urologist specialist in Bangalore. Dr. Nagasubramanyam is a urologist with additional training in HIV counselling. He offers advice, assistance, and counselling to those living with HIV, assisting them in overcoming the obstacles posed by the condition and enhancing their general well-being. Dr. Nagasubramanyam's qualifications and accomplishments show his dedication and commitment to his profession. He completed his MBBS from Bangalore Medical College and Research Institute in Bangalore in 1984. He then pursued MS in General Surgery from the same institution in 1988. He specialised in Urology, earning his MCh degree from the prestigious Postgraduate Institute of Medical Education and Research in Chandigarh in 1988. Dr. Nagasubramanyam has gained extensive experience working in renowned hospitals and healthcare institutions throughout his career. He has worked as a consultant at Sagar Hospital in Banashankari, Jayanagar, Manipal Hospital in Jayanagar, and Mallya Hospital on Vittal Mallya Road. Both the Karnataka Medical Council and the Urological Society of India (USI) honour Dr. Nagasubramanyam as a distinguished member. His contributions and achievements in the medical field have been recognised, as he received the Doctor Legend Award at the Healthcare Achievers (Times) in 2019. With his wealth of knowledge, vast experience, and compassionate approach, Dr. Nagasubramanyam S continues to provide outstanding urology care to his patients, ensuring their well-being and improving their quality of life.
