

DR. UDAY BHASKAR

Consultant - Urologist

Qualification

MBBS | MS - General Surgery | MCh - Urology

Overview

Dr. Uday Bhaskar is an excellent urologist with a high level of ability and training in various urological treatments. He has earned a reputation as a urological expert consultant because of his solid educational background and extensive experience. Among other disciplines, Dr. Bhaskar is renowned for his expertise in endourology, RIRS (Retrograde Intrarenal Surgery), laparoscopic urology, and andrology. In 2005, Dr. Bhaskar graduated with his MBBS from Bangalore's M S Ramaiah Medical College. In 2008, he completed an MS in general surgery at Kolar's Devaraj URS Medical College. He earned his MCh in Urology from Sri Ramachandra University in Chennai in 2012 to pursue his training and education. His solid academic background and extensive training have given him the knowledge to deliver cutting-edge urological care. Dr. Bhaskar fosters excellent contact with his patients through his English, Kannada, and Hindi proficiency, promoting greater comprehension and patient-centred care. He knows the value of open communication and informs his patients about their ailments and available treatments. Dr. Bhaskar has received praise for his contributions to urology during his career. He was honoured with the coveted American Urological Association Best Poster Award 2014. This honour is a testament to his dedication to keeping on the cutting edge of urology research and disseminating his expertise throughout the world's medical community. For the same reason, he is considered the foremost andrology doctor in Bangalore. The broad spectrum of services provided by Dr. Bhaskar addresses a wide variety of urological disorders. Ureteric and bladder stones problems with the bladder, treatment for kidney, surgery of the penis, treatment for diabetes-related erectile dysfunction, pelvic lymph node dissection, male and female sexual issues, renal replacement therapy, circumcision, prostate resection surgery, vasectomy, nephrectomy (kidney removal) and urinary incontinence are some of the services he offers. Dr. Bhaskar has won the confidence and respect of his patients and peers due to his expertise in urology, andrology, and urological surgery. He constantly engages in professional development initiatives to remain updated with the recent developments in urology and is a member of the Karnataka Medical Council. During his career, Dr. Bhaskar has gained valuable expertise in prestigious medical facilities. From 2008 to 2009, he worked as an assistant professor at PES Medical College. Later, in 2011 and 2012, he served as a Consultant Urologist at Fortis Hospital. In period 2013 to 2014, he worked as a consultant urologist for HCG Healthcare. He has honed his surgical abilities and earned invaluable knowledge through these assignments. Because of his commitment, knowledge, and kind manner, Dr. Uday Bhaskar is a highly sought-after urologist. His dedication to patient care and extraordinary surgical abilities guarantee that his patients receive the best care possible. Dr. Bhaskar continues to make substantial contributions to the area of urology and is still well-known in the medical industry because of his love for the subject and desire to better the lives of his patients.
