

DR. GAJENDRA R

Consultant - Medical Gastroenterology

Qualification

MBBS | MD | DM (Medical Gastroenterology)

Overview

Dr. Gajendra R is an experienced medical gastroenterologist in Bangalore, practising as a Consultant - Medical Gastroenterology at Manipal Hospitals, Kanakapura Road. With a strong foundation in internal medicine and medical gastroenterology, Dr. Gajendra offers expert care in diagnosing and treating complex gastrointestinal, liver, and pancreatic conditions. He is particularly skilled in performing advanced diagnostic and therapeutic endoscopic procedures such as endoscopic ultrasound (EUS), therapeutic endoscopy, capsule endoscopy, colonoscopy, and ERCP. Dr. Gajendra R earned his M.B.B.S. from the S.S. Institute of Medical Sciences and Research Centre, Davanagere. He further pursued an M.D. in General Medicine from Mahadevappa Rampure Medical College, Kalaburagi, and completed his D.M. in Medical Gastroenterology from M.S. Ramaiah Medical College, Bangalore. Throughout his academic journey, Dr. Gajendra has consistently demonstrated excellence through research presentations and case studies at national conferences. A top medical gastroenterologist in Kanakapura, Dr. Gajendra R, brings hands-on expertise in minimally invasive procedures that diagnose and treat

conditions in a single sitting. His proficiency with Spyglass cholangioscopy and Endoscopic ultrasound-guided interventions further reflects his command over technologically advanced interventions. His clinical acumen and steady hands make him a trusted expert for managing disorders like ulcerative colitis, Crohn’s disease, chronic liver disease, and pancreatic illnesses with precision and empathy. Beyond his technical expertise, Dr. Gajendra R is known for his thoughtful, calm, and patient-first approach. He values clear communication and ensures patients understand their diagnosis, the treatment process, and expected outcomes simply and reassuringly. His goal is to create a stress-free experience for individuals dealing with gastrointestinal issues, which can often be acute or chronic. From unexplained abdominal pain to long-standing digestive problems like Irritable Bowel Syndrome (IBS), he provides evidence-based solutions focusing on long-term health and recovery. Dr. Gajendra R has presented numerous posters and papers on gastrointestinal and systemic diseases and published studies in respected medical journals, further reflecting his academic commitment. Adept at handling complex gastroenterological cases with care, Dr. Gajendra R continues to set high standards in patient care at Manipal Hospitals Kanakapura Road, Bangalore. His dedication to clinical excellence and patient-centric care makes him a reliable and trusted specialist for adults suffering from gastrointestinal, hepatic, and pancreatic disorders.
