Overview

Dr. Nitin Swami is a highly experienced plastic, reconstructive, and cosmetic surgeon currently practising at Manipal Hospital, Kharadi, Pune. With over 12 years of specialisation in aesthetic and reconstructive procedures and more than two decades of experience in general medicine, Dr Swami brings both precision and compassion to his clinical approach. He completed his MBBS from the Maharashtra University of Health Sciences in 2003, followed by an MS in General Surgery from the Government Medical College, Baroda. He further pursued his M.Ch. in Plastic and Reconstructive Surgery at the prestigious Grant Medical College and Sir J.J. Hospital, Mumbai. His extensive training has shaped him into a versatile clinician skilled in both cosmetic enhancements and complex reconstructive surgeries. Dr. Swami offers a wide range of services, including rhinoplasty, liposuction, abdominoplasty (tummy tuck), breast reconstruction, hair transplant (FUE/DHI), scar revision, facelifts, Botox and filler treatments, and gender-affirming procedures. Known for his attention to detail, he ensures each treatment plan is tailored to the individual needs and expectations of his patients. He also provides general

physician consultations, reflecting his well-rounded expertise in internal medicine. Dr. Nitin Swami’s practice at Manipal Hospital Kharadi combines advanced surgical techniques with patient comfort and safety. His consultations are known for their patient-centric nature, where he takes the time to explain procedures, risks, and outcomes in a calm and clear manner. With a solid reputation built on trust and clinical excellence, he continues to help patients restore function, confidence, and appearance through world-class medical care.
