

DR. BHOOPAT SINGH BHATI

Consultant - Urology and Andrology

Qualification

MBBS | MS General Surgery | DNB Genitourinary Surgery

Overview

Dr. Bhoopat Singh Bhati is a senior consultant in urology and andrology at Manipal Hospital, Kharadi, Pune, bringing over 21 years of surgical experience in advanced urological care. He holds an MBBS, MS in General Surgery, and DNB in Genitourinary Surgery and is recognised for his expertise across a wide spectrum of urological and andrological conditions. His key areas of specialisation include minimally invasive kidney stone surgeries, renal transplant, endourology, reconstructive urology, uro-oncology, neuro-urology, male sexual dysfunction, infertility, female urology, and advanced laparoscopic and robotic surgeries. In 2019, he underwent specialised training in robotic prostate surgery at the Martini-Clinic Prostate Cancer Centre, University Clinic Eppendorf, Hamburg, Germany. Dr. Bhati has worked in NABH-accredited hospitals since 2005, offering patient-centric care with access to the latest technology and procedures. He is a lifetime member of several prominent medical associations, including the Urological Society of India (USI), West Zone USI (WZUSI), Indian Medical Association (IMA - Pune), and the International Association of Sexual Medicine Practitioners (IASMP). A passionate educator and

advocate for public health awareness, Dr. Bhati has been featured in leading Pune media outlets, addressing topics like kidney stone prevention and debunking myths around beer consumption for kidney health. His dedication to clinical excellence was recognised with the ICONS OF HEALTH 2021 – Times Award in Urology. At Manipal Hospital, Kharadi, Dr. Bhoopat Singh Bhati is committed to delivering world-class, evidence-based treatment, making him one of the most trusted urologists and andrologists in Pune.
