

DR. BHUSHAN JOSHI

Consultant - Neurology

Qualification

MBBS | DNB Internal Medicine | DM Neurology

Overview

Dr. Bhushan Joshi is one of the best neurologists in Kharadi, Pune, and specialises in Neurology, Neuromuscular Medicine, Clinical Neurophysiology, and Neuro Physiotherapy. He is a highly trained and specialist doctor who has completed MBBS, DNB, and DM (Neurology). Dr. Bhushan Joshi has over 14 years of experience as a practising doctor. Currently, Dr. Bhushan is running the stroke care unit at Manipal Hospital, Kharadi, Pune. Being amongst the best Neurologists, Dr. Bhushan Joshi constantly strives to provide the latest and the best medical services in the field of Neurology. He is also a member of the Indian Society of Neurology (IAN) & Maharashtra Academy of Neurosciences(MAN). Dr. Bhushan Joshi is fluent in Hindi, English, Marathi and Bengali. This linguistic ability allows him to communicate effectively with patients from diverse geographical and cultural backgrounds. He educates and answers all the concerns his patients may have regarding any aspect of the treatment so that they can make an informed decision. It also helps him create a customised treatment plan that helps the patients recover faster. Dr. Bhushan also believes in the motto of Manipal Hospital which is: clinical excellence,

patient centricity and ethical practices. All these qualities are reflected in his sincere and professional conduct. Dr. Bhushan has appeared on various media platforms to share medically accurate information with the public. He explained ‘Why Alzheimer's Disease Is More Common In Women’ for HerZindagi on the occasion of World Alzheimer's Day, on ‘How to identify if a person is having an epileptic seizure’ for India TV News on the occasion of National Epilepsy Day and ‘Van der Knapp disease: a rare disease with typical features’: - BMJ Case Reports 2015. He very recently shared an exclusive article.
