

DR. PRAMOD BHANUDAS NARKHEDE

Consultant - Cardiology

Qualification

MBBS | DNB (General Medicine) | DNB (Cardiology)

Overview

Dr. Pramod Narkhede is a highly experienced interventional cardiologist currently practising at Manipal Hospital, Kharadi, Pune. With over 20 years of medical experience, including more than a decade in cardiology, Dr. Narkhede is widely recognised for his clinical precision, ethical approach, and commitment to patient care. He holds an MBBS degree and DNB qualifications in both General Medicine and Cardiology. Over the years, he has been associated with some of India’s leading healthcare institutions, including N.M. Wadia Institute of Cardiology, Jehangir-Apollo Hospital, and Aster MIMS in Kerala. These roles have helped him develop a well-rounded perspective on both acute and chronic cardiovascular conditions. Dr. Narkhede’s core areas of expertise include coronary angiography, angioplasty, and stenting. He is proficient in device-based therapies such as pacemaker, ICD, and CRT implantations, and adept at managing complex cardiac disorders like heart failure and valvular heart diseases. He also focuses on preventive cardiology and non-invasive diagnostics, such as 2D echocardiography and treadmill stress testing, to ensure early intervention and effective treatment plans. His patients consistently

appreciate his composed and approachable manner, as well as the clarity with which he explains medical procedures and treatment options. His attention to detail and personalised approach have earned him the trust and respect of both patients and peers. Dr. Narkhede's association with Manipal Hospital, Kharadi, positions him at the forefront of cardiology care in Pune. Known for blending clinical expertise with compassion, he remains committed to improving cardiac outcomes and enhancing quality of life for those he treats.
