Overview

Dr. Rushali Jadhav is a dedicated and accomplished obstetrician and gynaecologist at Manipal Hospital, Kharadi, Pune. With over 22 years of medical experience and 14 years as a specialist, she has earned a strong reputation for providing quality and compassionate women's healthcare. She completed her MBBS from the University of Pune in 2003, followed by a DNB in Obstetrics and Gynaecology from the National Board of Examinations in 2010. Her clinical expertise covers a wide range of services, including antenatal and postnatal care, as well as the management of high-risk pregnancies such as those complicated by hypertension, diabetes, or recurrent miscarriages. She supports both natural and caesarean deliveries, with a special focus on patient comfort and safety. Dr. Jadhav is also skilled in addressing complex gynaecological conditions like menstrual irregularities, PCOS, menopausal issues, and infertility. She performs various surgical interventions including laparoscopic hysterectomy, ovarian cystectomy, myomectomy, and hysteroscopy with high precision and care. She is widely appreciated for her approachable nature and the clarity with which she explains diagnoses and treatment options. Her

personalised and reassuring care approach ensures that patients feel supported throughout their health journey. Beyond her clinical duties, Dr. Rushali Jadhav is actively involved in promoting women's health awareness through public education initiatives and expert talks. She frequently shares insights on important topics like cervical cancer prevention and adolescent health, reflecting her broader commitment to community well-being. Overall, Dr. Jadhav's blend of clinical expertise, surgical skill, and patient-centred care makes her a leading choice for comprehensive obstetric and gynaecological treatment in Kharadi, Pune.
