

DR. MANOJ PAWAR

Associate Consultant - Pulmonology

Qualification

MBBS | DNB Pulmonary Medicine

Overview

Dr. Manoj Pawar is a highly respected pulmonologist and critical care specialist with over nine years of experience in the diagnosis, management, and treatment of respiratory diseases. He is currently associated with Manipal Hospital, Kharadi, Pune, where he offers expert care for patients with a wide range of lung-related and breathing disorders. Dr. Pawar completed his MBBS, followed by a DNB in respiratory medicine, laying a solid foundation in internal medicine and respiratory health. To further enhance his clinical expertise, he pursued a fellowship in interventional pulmonology as well as the Indian Diploma in Critical Care Medicine (IDCCM), equipping him to manage complex pulmonary and intensive care cases. His clinical interests cover a broad spectrum of respiratory conditions, including asthma, chronic obstructive pulmonary disease (COPD), interstitial lung disease (ILD), tuberculosis (TB), lung fibrosis, and sleep-related breathing disorders such as obstructive sleep apnea. He is also well-versed in the management of post-COVID lung complications, an area of growing importance in modern respiratory care. Dr. Pawar is skilled in performing a range of advanced pulmonary procedures, including

fiberoptic bronchoscopy, medical thoracoscopy, pleural fluid aspiration, lung biopsy, and endobronchial ultrasound (EBUS). His procedural expertise allows for precise diagnosis and minimally invasive treatment of complex chest conditions. Dr. Pawar is known for his approachable manner and patient-focused care. He combines clinical accuracy with empathy, ensuring that each patient receives personalised treatment tailored to their condition and lifestyle. With his strong academic background and practical skillset, Dr. Manoj Pawar is widely regarded as one of Pune's leading specialists in respiratory and pulmonary medicine, dedicated to improving patient outcomes and promoting long-term lung health.
