

DR. RANJEET BONDAR

Consultant - Critical Care

Qualification

MBBS | MD Anesthesia

Overview

Dr. Ranjeet Bondar is a highly skilled and dedicated Consultant in Critical Care at Manipal Hospital, Kharadi, Pune. With a strong foundation in Anaesthesiology (MD) and a specialised diploma in Critical Care Medicine, Dr. Bondar brings extensive experience in managing complex and life-threatening medical conditions in the Intensive Care Unit (ICU). His clinical approach is rooted in evidence-based medicine and a deep commitment to patient safety and recovery. Known for his calm and focused demeanour during medical emergencies, Dr. Bondar has earned respect among his peers and patients alike. His expertise spans the management of sepsis, acute respiratory failure, multi-organ dysfunction, post-operative critical care, and advanced ventilator strategies. He has been actively involved in implementing protocols related to antibiotic stewardship, pain management, and ICU monitoring systems, which significantly improve patient outcomes. Dr. Bondar’s academic contributions are equally commendable, having previously served as an Assistant Professor in Anaesthesia. He has published research in national and international journals, particularly in the areas of sepsis care and patient monitoring.

His dual strength in clinical and academic roles adds a valuable dimension to his practice at Manipal Hospital, where he also mentors junior doctors and nurses in critical care standards. Patients and their families appreciate Dr. Bondar for his clear communication, empathetic attitude, and structured care plans. He ensures that families are well-informed about treatment progress and decisions, especially during high-stress ICU stays. At Manipal Hospital Kharadi, Dr. Ranjeet Bondar plays a pivotal role in delivering top-tier critical care services. His dedication, precision, and leadership continue to enhance the hospital's reputation as a trusted centre for intensive and emergency care in Pune.
