

DR. VIDYACHANDRA GANDHI

Consultant - Gastrointestinal & HPB Surgeon

Qualification

MBBS | DNB (Gen Surgery) | DNB (GI surgery)

Overview

Dr. Vidyachandra Gandhi is a renowned Gastrointestinal and hepatobiliary surgeon in Pune having an experience of more than 20 years. He is a member of the DOSS Surgical Group, which is a group of surgeons with expertise in General surgery, Laparoscopic surgery, Laser surgery, Gastrointestinal surgery, and weight loss bariatric surgery. Dr. Vidyachandra specializes in GI Tract Surgeries (Cancerous and non-cancerous), Pancreatic Surgeries (Cancerous and Non-Cancerous), Liver Shunt Surgeries for portal hypertension, J-Pouch Surgery for ulcerative colitis, Surgery For GI Bleeding, Abdominal Emergency Surgeries (Perforation, Obstruction, Bleeding, etc.), All Laparoscopic Surgeries (Lap Cholecystectomy, Lap Splenectomy, Lap Colectomy, etc), Liver Cirrhosis Management and Constipation Management. His passion towards his work and personalized care for each patient make him the best surgical gastroenterologist in Pune. In addition to offering optimum care and treatment to the patients, Dr. Vidyachandra actively participates in seminars, events and conferences that are dedicated to the developments in the medical world. Dr. Vidyachandra believes in effective two-way communication

with patients and provides them with a safe space where they can speak comfortably about their medical condition. This helps him create a personalised treatment plan based on the patient’s recovery goals and holistic recovery. He maintains confidentiality of the patient's data and transparency while interacting with the patients. Dr. Vidyachandra educates and answers all the concerns a patient may have regarding the treatment. He has treated many complex cases successfully and has many case studies to share. Dr. Vidyachandra has more than 25 publications in National and International Journals. Dr. Vidyachandra is sincere, and empathetic and is always at the forefront in adopting new technology and new ways if they have the potential to create a positive difference in the lives of the patients.
