

DR. SUHASINI JADHAV

Consultant - General Surgery

Qualification

MBBS | MS (Gen Surgery) | FIAGES | FALS (Bariatric Surgery)

Overview

Dr. Suhasini Jadhav, the best general surgeon doctor in Pune stands at the forefront of surgical excellence, specializing in Gastrointestinal Surgery, Colorectal surgery, Bariatric surgery, and cutting-edge minimally invasive techniques. Graduating with top honours in her Master of Surgery Program, she earned accolades for her exemplary skills and dedication to patient care. With a profound commitment to advancing surgical care for over a decade, Dr. Suhasini has honed her expertise in colorectal surgery, focusing on treating complex conditions such as Piles, Fistulas, and Constipation. Her precision and skill extend to bariatric surgery, where she helps patients achieve sustainable weight loss and improved metabolic health. Dr. Suhasini is renowned for her proficiency in minimally invasive surgery, utilizing advanced techniques to minimize patient discomfort and expedite recovery. She is also trained in Laser Proctology, offering patients the latest in precision treatment for colorectal issues. As a female surgeon, Dr. Suhasini prioritizes the comfort and privacy of her female patients, particularly those seeking treatment for sensitive colorectal issues. She understands the unique biological needs and challenges that women

face and is committed to providing compassionate and personalized care at every stage of life. Dr. Suhasini's dedication to advancing surgical care is evidenced by her involvement in national and international conferences, where she has presented research on cutting-edge techniques in colorectal and bariatric surgery. She has also spearheaded successful bariatric surgical camps in collaboration with the Health Ministry of Seychelles, further demonstrating her commitment to global healthcare initiatives. She has also conducted numerous awareness programs across the state of Maharashtra, focusing on Obesity, Metabolic and Lifestyle disorders such as Piles, Fistula, Constipation, and Women's Ano Rectal Health. These programs aim to educate and empower individuals to make informed choices about their health and well-being. With her expertise, compassion, and dedication to female-centric healthcare, Dr. Suhasini Jadhav continues to be a trusted partner in the journey towards improved Gastrointestinal and colorectal health and sustainable weight management for her patients.
