

DR. MAHESH JADHAV

Consultant - Neurology

Qualification

MBBS, | MD Medicine | DM Neurology

Overview

Dr. Mahesh Jadhav is one of the best neurologists based in Kharadi, Pune, with around 10 years of experience in neurology and medicine. His educational background includes an MBBS, MD in Medicine, and DM in Neurology, giving him a strong foundation in the field. Dr. Jadhav gained valuable expertise as a Senior Resident (DM) in Neurology for 3 years at the prestigious Sanjay Gandhi Postgraduate Institute of Medical Sciences (SGPGIMS), Lucknow. Following this, he spent 2 years as an assistant professor in the Department of Neurology at SGPGIMS, further enriching his academic and clinical experience. Prior to his specialization in neurology, Dr. Jadhav also served as an Assistant Professor of Medicine at Government Medical College (GMC), Aurangabad (Chhatrapati Sambhaji Nagar) for 2 years. He is a Good Neurologist in Pune. Dr. Mahesh's clinical expertise spans a wide range of neurological disorders, including stroke, epilepsy, Guillain-Barré syndrome (GBS), myasthenia gravis, neurological infections, multiple sclerosis, migraine, movement disorders, muscular dystrophy, pediatric developmental disorders, dementia, and Parkinson’s disease. He is highly proficient in managing neurocritical patients and has extensive

experience in performing neurophysiological tests such as EEG, EMG, NCV, evoked potentials, and BERA. His skills extend to administering botulinum toxin injections for the treatment of movement disorders like dystonia and spasticity. In addition to his clinical work, Dr. Jadhav is recognized for his ability to handle complex neurological cases, offering comprehensive care for both adult and pediatric patients. His dedication to continuous learning and patient care has made him a respected figure in his field, particularly for his expertise in neurocritical care and neurophysiology. Dr. Jadhav's holistic approach ensures the highest standards of care for patients with neurological conditions. Dr. Mahesh Jadhav is known for his patient-centric approach, ensuring that each individual receives personalized and comprehensive care. He places a strong emphasis on understanding his patients' unique needs, offering tailored treatment plans that focus on improving their overall quality of life. His compassionate and empathetic nature, combined with his vast clinical expertise, has earned him the trust and respect of his patients. Dr. Jadhav's commitment to delivering the highest standards of medical care with a focus on patient satisfaction and well-being sets him apart as one of the best neurologists in Pune.
