

DR. NATASHA KUMRAH

Consultant - Internal medicine

Qualification

MBBS | MD

Overview

Dr. Natasha Kumrah is one of the best consultants at Manipal Hospital, Kharadi, with 9 years of dedicated experience in Internal Medicine. Her educational qualifications include an MBBS from MIMSR, Latur, followed by an MD in Internal Medicine from the prestigious Armed Forces Medical College (AFMC) in Pune. In addition to her medical degrees, she holds a specialized certification in the prevention and management of diabetes and cardiovascular diseases from PHFI, and CDI, further showcasing her comprehensive understanding of key health conditions. Dr. Natasha Kumrah's practice focuses on delivering high-quality care across both outpatient (OPD) and inpatient (IPD) settings. She is well-versed in using both intelligent and advanced diagnostic techniques, along with a combination of invasive and non-invasive investigations, to ensure precise diagnoses. Her ability to effectively manage complex and chronic conditions, such as diabetes, hypertension, and cardiovascular diseases, is one of the reasons she is highly regarded by both her patients and peers. Additionally, she is adept at handling emergencies, often performing lifesaving procedures when necessary, and providing critical care to stabilize patients. What

sets Dr. Natasha Kumrah apart is her patient-centred approach. She believes in creating a strong, trusting relationship with each patient, where open communication, empathy, and individualized care are the pillars of her practice. Dr. Kumrah is committed to following up with patients to ensure continuity of care, especially for those with chronic illnesses or requiring long-term management. She strives to foster an environment where patients feel not only cared for but also heard, empowering them to take an active role in their health journey. Throughout her career, Dr. Kumrah has earned the trust and respect of both her patients and colleagues. With nearly a decade of experience in the medical field, she has built a reputation as one of the leading consultants at Manipal Hospital, Kharadi. Her dedication to advancing patient care, along with her extensive knowledge and expertise, makes her an invaluable asset to the institution. As a compassionate physician with a strong professional ethos, Dr. Kumrah continues to play a key role in the hospital's mission to provide exceptional healthcare to the community.
