

DR. ANKIT KHANNA

Consultant - Periodontics

Qualification

BDS | MDS Periodontics

Overview

Dr Ankit Khanna is a highly experienced dentist and the Director of Health Chakra Pvt Ltd, bringing over 18 years of expertise in modern dentistry. Originally from outside Pune, he moved to the city to pursue his master's degree in dentistry and soon made it his home. His passion for advanced, pain-free dental care has led him to pioneer the use of cutting-edge techniques, including laser dentistry, digital X-rays, rotary endodontics, and minimally invasive procedures. Patients from Pune and beyond appreciate his skill, speed, and efficiency in delivering high-quality, comfortable treatments. Alongside his wife, Dr Ruchira Khanna (M.D.S Prosthodontics), Dr Khanna provides holistic and scientific dental care. Coming from a long lineage of medical professionals, the duo ensures precise diagnosis, treatment planning, and execution. Their combined expertise makes them a sought-after team for comprehensive oral health solutions in Kharadi and nearby areas. Believing that oral health is directly linked to overall well-being, Dr Khanna advocates for greater dental awareness in India. He founded Battisi Dental Care in 2019, which now has branches in Kondhwa and Koregaon Park, offering affordable and high-quality

dental treatments in Pune. His approach ensures that every patient not only receives the best dental care but also learns how to maintain lifelong oral health.
