

DR. JAYJEET LOKHANDE

Consultant- ENT

Qualification

MBBS | MS (ENT)

Overview

Dr. Jayjeet Lokhande is a highly accomplished ENT (Ear, Nose, and Throat) and Head & Neck Surgeon, known for his surgical expertise, clinical excellence, and compassionate patient care. Dr. Lokhande earned his MBBS degree from the prestigious B.J. Government Medical College and Sassoon General Hospital, Pune, and pursued his M.S. in ENT, Head & Neck Surgery from Government Medical College, Yavatmal. His contributions to the field have been recognised with accolades, including the Best Temporal Bone Dissector Award (2020) and the Best Paper Presentation Award at ISOCON, underscoring his commitment to academic and surgical advancement. A committed ENT expert, Dr. Jayjeet Lokhande is renowned for his patient-centred approach and unrelenting dedication to lifelong learning. He has actively participated in a number of national and international conferences and advanced surgical workshops, such as advanced rhinoplasty training, the Cochlear Implant Workshop at Hinduja Hospital, and training in Functional Endoscopic Sinus Surgery (FESS) at Kapoor Hospital and Cooper Hospital in Mumbai. His continuous involvement with state-of-the-art surgical methods and advancements

in otolaryngology demonstrates his commitment to clinical excellence. Dr. Lokhande has completed over 1,000 ENT surgeries over his career, including more than 500 Coblation Tonsillectomy and Adenoidectomy procedures, which are renowned for causing less pain and promoting quicker recovery. Tympanoplasty, mastoidectomy, thyroid and parotid gland surgeries, Dacryocystorhinostomy (DCR), cochlear implant surgeries, septoplasty, and a variety of ENT treatments are among his surgical specialities. Notably, he performed more than 100 tracheostomies and mucormycosis surgeries during the COVID-19 epidemic, treating urgent and life-threatening cases. With compassion, accuracy, and an emphasis on the best possible outcomes for his patients, Dr. Lokhande continues to offer cutting-edge ENT care throughout Pune.
