

DR. CHINTAN GUJARATHI

Consultant - Plastic Surgeon

Qualification

MBBS | MS (General Surgery) | Mch (Plastic and Reconstructive Surgery) | DNB (Plastic Surgery)

Overview

Dr. Chintan S. Gujarathi is a skilled and experienced plastic and reconstructive surgeon at Manipal Hospital Kharadi, Pune. He holds degrees in M.B.B.S., M.S. (General Surgery), M.Ch. (Plastic Surgery), and DNB (Plastic Surgery). Known for his dedication and care, Dr. Gujarathi helps patients with both cosmetic and reconstructive needs. He is one of the leading plastic surgeons in Pune, offering safe and effective treatment for a wide range of conditions. At Manipal Hospital Kharadi, Dr. Gujarathi treats patients with injuries, burns, and birth defects. He has successfully performed more than 500 major surgeries for head and neck cancer reconstruction. His expertise also includes treating facial injuries, hand surgeries, limb reconstruction, and diabetic foot problems. For patients who need cosmetic improvements, he also offers treatments like rhinoplasty (nose surgery), body shaping, and scar removal. Dr. Gujarathi is known for giving personal attention to every patient. He takes time to explain the surgery, prepares carefully, and follows up regularly to make sure the recovery is smooth. At Manipal Hospital Kharadi, he also helps train junior doctors and participates in medical workshops. His calm nature and good

communication skills make patients feel safe and comfortable. With many years of experience, Dr. Chintan Gujarathi continues to learn and grow in his field. He attends national and international medical conferences to stay updated with the latest techniques. If you are looking for a plastic surgeon in Pune who is kind, experienced, and skilled, Dr. Gujarathi at Manipal Hospital Kharadi is a trusted choice for both cosmetic and reconstructive surgery.
