

DR. TASKEEN SIKORA

Consultant - General Surgery

Qualification

M.B.B.S | DNB (General Surgery)

Overview

Dr Taskeen Sikora is a skilled and compassionate General and Laparoscopic Surgeon with specialised expertise in Breast Surgery and Proctology. She has quickly established herself as a dedicated surgeon known for her patient-centric approach, precision in minimally invasive procedures, and commitment to delivering evidence-based surgical care. Her areas of expertise include laparoscopic surgeries, anorectal procedures, breast surgeries, and the management of a wide range of general surgical conditions. She completed her M.B.B.S. from Deccan College of Medical Sciences, Hyderabad, under the NTR University of Health Sciences, where she secured distinctions and academic excellence throughout her training, including a distinction in Physiology and recognition as a topper in multiple subjects. She further pursued her DNB in General Surgery at Jehangir Hospital and Research Centre, Pune, and successfully cleared the National Board examinations in her first attempt. Dr Sikora has also completed advanced training in laparoscopic surgery through the FIAGES qualification, reflecting her strong interest in minimally invasive surgical techniques that promote faster recovery, reduced pain, and improved patient outcomes. Her

surgical expertise encompasses laparoscopic cholecystectomy, laparoscopic appendicectomy, pilonidal sinus surgery, breast surgeries, hernia repair, hydrocele treatment, and anorectal procedures such as surgeries for piles, fissures, and fistulas. In addition to her clinical practice, Dr Taskeen Sikora actively contributes to academic research and medical literature. She has presented oral and poster presentations at reputed national conferences and has published research work in recognised journals, including studies on mucopidermoid carcinoma and evidence-based cancer management practices. She is an active member of prestigious professional organisations such as the Association of Surgeons of India (ASI), Association of Robotic and Innovative Surgeons of India (ARIS), and the Indian Association of Gastrointestinal Endo Surgeons (IAGES). Fluent in Hindi, English, Gujarati, Telugu, and Marathi, Dr Sikora effectively connects with patients from diverse backgrounds, ensuring clear communication and compassionate care throughout their treatment journey.
