

DR. KAPIL KANADE

HOD & Consultant - Obstetrics and Gynaecology

Qualification

MBBS | MD OBGY | D.N.B. | Certification - Laparoscopic Tubal Ligation | Diploma in Advanced Endoscopy (Germany)

Overview

Renowned for his extreme precision and patient consideration, Dr. Kapil Kanade is a thorough reproductive medicine specialist with 15-plus years of diverse clinical history in the management of infertility, laparoscopic surgeries, and high-end gynaecological procedures. He is currently associated with Manipal Hospital, Kharadi, as HOD Obstetrics and Gynaecology, where he deals in the latest and advanced methods of gynaecological care underpinned by academic brilliance. Dr. Kanade completed his M.B.B.S. from B.J. Medical College, Pune (Pune University) in 2001, followed by a Primary D.N.B. from the National Board of Examination, New Delhi, in 2003. He earned his M.D. in Obstetrics & Gynaecology from GMCH Aurangabad (Dr. Babasaheb Ambedkar University) in 2008. He has further enhanced his expertise through multiple fellowships in IVF, Laparoscopy, and Ultrasonography from the esteemed Nadkarni Hospital and Test Tube Baby Centre. Additionally, he holds a Certificate Course in Laparoscopic Tubal Ligation from the Family Planning Association of India and a Diploma in Advanced Endoscopy from Germany. Dr. Kanade has undergone extensive training in laparoscopic surgeries under the guidance of

renowned oncologist Dr. Shailesh Puntambekar at Galaxy Laparoscopy Institute, Pune. During this tenure, he assisted in over 100 laparoscopic hysterectomies and more than 25 laparoscopic radical hysterectomies. His deep interest in infertility treatment and assisted reproductive technologies (ART) has led him to work with premier fertility centres across Gujarat and Maharashtra, including the 21st Century Hospital and Nadkarni Test Tube Baby Centre. His specialisation covers IUI, IVF, ICSI, ovulation induction, sperm retrieval (MESA, TESA, PESA), embryo freezing, obstetric monitoring, diagnostic and operative hysteroscopy, advanced laparoscopic surgery, and cornual catheterisation. Dr. Kanade proudly has a stint at the Cardiac Ward of Ruby Hall Clinic, Pune, in the early part of his career, further empowering his well-rounded clinical background. Champion of ethical practice and patient-centric approach, Dr. Kanade is contributing prodigiously to the field of reproductive health.
