

DR. SAMARESH SAHU

Consultant - Radiologist

Qualification

MBBS | MD | DNB | FRCR | MNAMS

Overview

Dr. Samaresh Sahu is a highly experienced Consultant Radiologist at Manipal Hospitals Kharadi, Pune, with over 21 years of expertise in diagnostic and advanced imaging. He is widely recognised for his accuracy, clinical insight, and contribution to precise diagnosis across multiple medical specialties. Dr Sahu plays a vital role in supporting timely and effective treatment decisions through high-quality imaging interpretation. He completed his MBBS from the Armed Forces Medical College (AFMC), Pune, followed by MD in Radiodiagnosis, DNB, and FRCR, reflecting strong academic foundations and international training. His excellence in academics is highlighted by securing First Rank in the MD Radiodiagnosis University Examination and receiving the prestigious Late Nirmala Bala Chakraborty Memorial Gold Medal from Pune University. He was also awarded a Bronze Medal in Pharmacology during his MBBS training. Dr. Sahu’s key areas of specialisation include musculoskeletal imaging and oncoimaging. He is skilled in evaluating complex bone, joint, soft tissue, and sports injury cases, as well as advanced cancer imaging for early detection, staging, treatment planning, and follow-up. His expertise significantly supports

orthopaedic surgeons, oncologists, and multidisciplinary care teams at Manipal Hospitals Kharadi. He has contributed to both national and international medical journals, reflecting his commitment to academic excellence and continuous learning. Known for his patient-centric approach, Dr. Sahu ensures clear reporting, ethical practice, and effective communication. His fluency in English, Hindi, and Marathi allows him to connect comfortably with a diverse patient population. With advanced imaging technology and expert care, Dr. Samaresh Sahu is regarded as one of the best radiologists in Kharadi, Pune, reinforcing Manipal Hospitals Kharadi's reputation for reliable and advanced diagnostic services.
