

DR. SHRINIWAS KULKARNI

Consultant - Medical Oncology

Qualification

MBBS | DNB (Internal Medicine) | DrNB (Medical Oncology)

Overview

Dr. Shriniwas Kulkarni is a Consultant Medical Oncologist at Manipal Hospital Kharadi, Pune, with over 18 years of experience in delivering comprehensive and personalised cancer care. He is widely respected for his expertise in modern medical oncology and his compassionate, patient-focused approach to treatment. Dr. Kulkarni specialises in precision oncology, immunotherapy, chemotherapy, and targeted cancer therapies, ensuring that each patient receives treatment tailored to their specific cancer type and genetic profile. His key areas of interest include thoracic oncology, where he manages lung and chest-related cancers using advanced, evidence-based protocols. In addition, he provides expert pain management and supportive care, helping patients maintain comfort and quality of life throughout their cancer journey. He completed his MBBS from JMF's ACPM Medical College, Dhule, Maharashtra, and later pursued a DNB in Internal Medicine from Jehangir Hospital, Pune, awarded by the National Board of Examinations (NBE), New Delhi. To further strengthen his oncology expertise, he completed a DNB in Medical Oncology from Manipal Hospitals, Bengaluru, gaining extensive exposure to complex cancer

cases and advanced treatment modalities. Dr. Shriniwas Kulkarni is an active member of leading international oncology organisations, including the American Society of Clinical Oncology (ASCO) and the European Society for Medical Oncology (ESMO), reflecting his commitment to staying updated with global advancements in cancer care. Dr. Kulkarni ensures clear communication with patients and families. At Manipal Hospital Kharadi, he continues to deliver trusted, advanced, and compassionate medical oncology treatment in Pune, supporting patients at every stage of their cancer care.
