

DR. MERVIN JONATHAN ISRAEL

Consultant – Ophthalmologist & Retina Specialist

Qualification

MBBS | MS | DNB | FMR | FVRS

Overview

Dr. Mervin Jonathan Israel is a skilled Ophthalmologist and Vitreo-Retina Specialist in Pune with over 3 years of experience in ophthalmology and vitreoretinal care. He currently practices at Manipal Hospital Kharadi, where he provides comprehensive eye care services with a special focus on retinal diseases and vision preservation. Dr. Mervin holds prestigious qualifications, including MBBS, MS (Ophthalmology), DNB (Ophthalmology), FMR, and FVRS, reflecting his advanced training and commitment to excellence in ophthalmology. Dr. Mervin specialises in the diagnosis and management of retinal disorders, including diabetic retinopathy, retinal detachment, age-related macular degeneration, macular diseases, and retinal vascular conditions. With expertise in modern retinal treatments, he is trained in advanced retinal imaging, intravitreal injections, retinal laser procedures, and vitreoretinal surgeries. His clinical approach focuses on early diagnosis and evidence-based treatment to protect and restore vision. In addition to retina care, Dr. Mervin also practices comprehensive ophthalmology, addressing common eye conditions such as refractive errors, cataracts, eye infections, and routine eye

health concerns. His patient-centred approach ensures that individuals receive personalised care and clear guidance throughout their treatment journey. Dr. Mervin is also actively involved in the screening and management of Retinopathy of Prematurity (ROP), a serious condition affecting premature infants. By emphasising early detection and timely intervention, he plays a vital role in preventing long-term vision impairment in newborns. Known for his compassionate approach and clinical precision, Dr. Mervin Jonathan Israel is dedicated to delivering high-quality, evidence-based eye care. His commitment to advanced retinal treatment and patient-focused care makes him a trusted specialist for individuals seeking expert ophthalmology services in Pune.
