Overview

Dr. Jayashree Todkar is a pioneering, globally recognised Consultant Bariatric and Metabolic Surgeon at Manipal Hospitals, Kharadi, with over 34 years of stellar clinical and surgical experience. Widely celebrated as one of the best bariatric surgeons in Kharadi, Pune, she has dedicated her distinguished career to delivering transformative, evidence-based scientific comprehensive weight loss and metabolic solutions, helping individuals reclaim their health and successfully reverse obesity-related chronic conditions. She is accredited as one of the first International Center of Excellence in obesity & Metabolic treatments. Dr. Todkar completed her MBBS and MS in General Surgery from Pune University, followed by Diploma in Laparoscopic Surgery from the prestigious University of Strasbourg, IRCAD, France. To achieve the highest standards of international super-specialization, she completed advanced clinical fellowships at the Cleveland Clinic's Bariatric and Metabolic Institute (Ohio, USA), the Gastro Obeso Centre

(Brazil), and under the renowned Dr. Nicola Scopinaro at the University of Genoa, Italy. Her peerless clinical expertise spans advanced laparoscopic & bariatric surgery, metabolic surgery for Type 2 diabetes resolution, complex revision weight-loss surgeries, and advanced laparoscopic procedures for gastrointestinal conditions, hernias, and gallbladder issues etc. At Manipal Hospital Kharadi, Dr. Todkar spearheads state-of-the-art weight management protocols, utilizing advanced minimally invasive techniques such as Laparoscopic Sleeve Gastrectomy, Gastric Bypass, and banded sleeve surgeries etc. As a global trailblazer, she was the first Indian recipient of multiple awards from the American Society for Metabolic and Bariatric Surgery (ASMBS) and the International Federation for the Surgery of Obesity (IFSO). She was also the first Indian to perform a banded sleeve gastrectomy using the Mobi ring and to be invited as a course director by ASMBS. At our specialised obesity and metabolic surgery center in Kharadi, she collaborates with an integrated team to deliver highly successful therapeutic pathways. Known for her compassionate, patient-first approach, Dr. Todkar actively campaigns against the global epidemic of obesity. She served as the Secretary of the Obesity Surgery Society of India (OSSI) & vice president of IAGES and is an active member of elite international bodies like ASMBS and IFSO. Fluent in Marathi, Hindi, and English, Dr. Todkar provides highly personalised and compassionate comprehensive scientific care to patients searching for the best weight loss doctor in Pune as well as Maharashtra & India.
