Qualification

MBBS - Mysore Medical Colloge, Mysore, 1994 | DNB - General Medicine - DNB board, New Delhi, 2002 | DM - Neurology - National Institute of Mental Health and Neurosciences (NIMHANS), 2006

Overview

Dr. Shobha N is the best Neurologist in Malleswaram, Bangalore, currently practicing at Manipal Hospitals, Malleshwaram, Bengaluru, as a Consultant - Neurologist and Stroke Physician. She has over 20 years of experience in Neurology, with expertise in treating patients with epilepsy, dementia, stroke, multiple sclerosis (MS), and Parkinson's disease. Dr. Shobha’s medical education started with an MBBS from Mysore Medical College in 1994. Further enhancing her medical skills, Dr. Shobha completed her DNB in General Medicine from the DNB Board, New Delhi, in 2002. One of her academic milestones was achieving her DM in Neurology at the National Institute of Mental Health and Neurosciences (NIMHANS) in 2006. Dr. Shobha N has successfully treated numerous stroke-related cases over the last two decades. Her approach emphasizes accurate diagnosis and treatment and ensures that her patients experience a swift and holistic recovery. Recognising her dedication and skill, she was awarded a clinical fellowship by the University of Calgary, Canada, focusing on cerebrovascular diseases. Further accentuating her portfolio, Dr.

Shobha was honoured with another fellowship in 2010 from the same university, this time emphasising stroke. She is a member of the Family Physicians Association (FPA) in Bangalore, showcasing her multifaceted prowess in the field of medicine. Outside the clinical setting, Dr. Shobha has also made significant contributions to the world of medical literature. She has penned down and collaborated on various influential books, with "All About a Stroke" being one of her notable works. With a dedication to excellence and a commitment to the well-being of her patients, Dr. Shobha N is regarded as a prominent neurologist in Bangalore. Her remarkable journey and contributions in the field of neurology make her an inspiration for both peers and patients.
