

DR. NARESH PAGADALA

Consultant - Paediatrics

Qualification

MBBS | DCH | MRPCH

Overview

Dr. Naresh Pagadala is a Consultant – Paediatrics at Manipal Hospital Malleshwaram. As a top pediatrician in Bangalore, Dr. Naresh excels in a wide range of pediatric skills and procedures. His areas of specialization include managing pediatric OPD and ward cases, as well as performing critical procedures in neonatal intensive care units (NICU) and pediatric intensive care units (PICU), such as Intubation, Ventilation, IV Line Placement, ABG (arterial blood gas) Procedures, Lumbar Punctures, Umbilical Vein Catheterization, and Chest Drain Insertion. His proficiency in these essential procedures allows him to manage complex pediatric cases with confidence and precision. Dr. Naresh completed his MBBS from Dr. B.R. Ambedkar Medical College, followed by a Diploma in Child Health (DCH) from KIMS, Bangalore. He also holds prestigious qualifications in pediatrics, having passed the MRCPCH (Part 1) and MRCPCH (Part 2), enhancing his expertise in the field of pediatrics. With over a decade of experience, Dr. Naresh has garnered extensive experience in various healthcare settings. His career objective centers around improving his medical skills, enhancing his knowledge, and gaining valuable experience in a challenging

professional environment that fosters both job satisfaction and professional growth. Dr. Naresh's commitment to his profession was evident when he played a vital role as part of the task force committee for COVID-19 in the Bruhat Bengaluru Mahanagara Palike (BBMP), contributing to public health efforts during the pandemic. Along with that, Dr. Naresh is multilingual and fluent in English, Hindi, Kannada, Telugu, and Tamil, which allows him to communicate with patients and families from diverse linguistic backgrounds effectively. Known for his dedication, adaptability, and passion for his work, Dr. Naresh Pagadala is a dedicated medical professional who continuously strives to learn and grow in his field. His ability to thrive in any environment and his commitment to patient care are key attributes that make him a respected figure among his peers and patients.
