

DR. KAILASH P CHHABARIA

Consultant - Ophthalmology

Qualification

M.B.B.S. | D.O. (OPHTHAL) | D.N.B. (OPHTHAL)

Overview

Dr. Kailash P Chhabria is a super excellent doctor who everyone respects. Dr. Chhabria, a coveted Consultant Ophthalmic Surgeon in Malleshwaram, Bangalore, has created a distinguished reputation in ophthalmology by attaining vast expertise and profound knowledge in the field. He has completed numerous complicated cataract cases, a staggering 700 of them, adding to his high credentials. Additionally, due to his experience, Dr. Chhabria is lauded for his exceptional competency in cataract surgery- a skill he has finely honed through the years. He can handle complex cases like developmental cataracts, small pupils, and even subluxated cataracts. Dr. Chhabria is an expert in various eye conditions such as cataract surgery, glaucoma, retina diseases, corneal diseases, and uveitis. He possesses incredible skill and knowledge that enables him to perform surgeries without requiring injections, which renders him all the more impressive. His adeptness in managing these medical issues lends assurance to individuals with eye ailments, granting them the confidence that they are in the hands of a knowledgeable and adept professional. Dr. Chhabria is not just a fantastic doctor but also a very kind-hearted person. He is always

ready to help people and raise awareness about eye-related issues. He has participated in many programs in Bangalore to spread awareness about glaucoma, eye donation, blood donation, and even diabetes. He also volunteers in camps for exceptional athletes to ensure their eyes are healthy. Isn't that awesome? Dr. Kailash is known to be a top eye doctor in Bangalore. Dr. Kailash P Chhabria is a renowned and experienced ophthalmic practitioner known for his unwavering dedication to the medical field. His peers hold him in high regard, and he is a member of multiple important medical societies, including the All India Ophthalmic Society, the Karnataka Ophthalmic Society, and the Indian Medical Association. His linguistic abilities are also notable; he is proficient in English, Hindi, Sindhi, Kannada, and Tamil, allowing him to communicate well with individuals from various language backgrounds. Dr. Chhabria is similarly celebrated for his numerous awards and merit. He not only garnered the prestigious Rev. F. Pevasahaya S J prize for his English prowess, but he also placed first in a national conference for his medical model on the middle ear. He even earned a gold medal in university examinations for his outstanding performance. Dr. Kailash P Chhabria has made an unmistakable mark on the world of ophthalmology, becoming a vital source of expertise via his pen ship of different medical publications and sharing his knowledge with others. The importance of his contributions to the medical field will be felt for many years.
