

## DR. NIKHIL B

Consultant - Neurology

### Qualification

MBBS | MD (General Medicine / Internal Medicine) | DNB (Neurology)

### Overview

Dr. Nikhil B is a Consultant Neurologist with over 14 years of experience currently practising at Manipal Hospitals, Malleshwaram, Bangalore. He completed his MBBS from Father Muller Medical College, Rajiv Gandhi University of Health Sciences, in 2008, MD in General Medicine (Internal Medicine) from MVJ MC RH, Rajiv Gandhi University of Health Sciences, in 2013, and DNB in Neurology from Apollo Hospitals in 2019. Dr. Nikhil has been trained by the top neurologists in India, placing himself to be one of the best. He has accomplished clinical acumen in movement disorders, stroke, and neurovascular diseases, along with generic neurological factors. He is a top neurologist in Malleshwaram. Treating patients with migraine has been Dr. Nikhil's forte for all these years now. Being a kind individual, he empathetically deals with dementia patients and provides them with a homely treatment atmosphere. He is undoubtedly an expert in diagnosing and treating nerve and muscle disorders. Dr. Nikhil has successfully handled ICU stroke (Thrombolysis/ Thrombectomy) patients, issues like cervical and lumbar spondylosis, Parkinson's disease, peripheral neuropathy, GB syndrome, bell's palsy, myopathies, myositis, several cognitive issues, multiple sclerosis, and neuroinflammatory disorder. He is an expert in autoimmune neurology and neuroinfectious diseases. With such an array of expertise, Dr. Nikhil B is considered one of the best neurologists in Bangalore. Dr. Nikhil B is multilingual and can fluently speak Kannada, Hindi, and English. This ability allows him to connect with a diverse patient populace and understand their concerns well. They can discuss situations without many obstructions, and hence, the concerns can be easily addressed. Additionally, he is highly educated and has a keen interest in sharing his knowledge with the world. This is why he actively participates in local, national, and international conferences and several seminars and workshops. Dr. Nikhil ensures that future generations are ready for their upcoming endeavours in the medical world. Furthermore, Dr. Nikhil is dedicated to providing cost-effective healthcare services to patients. He promotes this view with his active participation in different events and his treatment approach. In 2009, he received his registration from the Karnataka Medical Council, which is proof of his ethical stance towards treating his patients. The amazing educational background and illustrious expertise of Dr. Nikhil B in the healthcare sector make him a highly sought-after medical professional.
