

DR. BHARATH B

Consultant - Paediatrics

Qualification

M.B.B.S | Diploma in Child Health (DCH)

Overview

Dr. Bharath B is a paediatrician in Bangalore who is currently associated with Manipal Hospital Malleshwaram as a Consultant - Paediatrics. With a specific focus on infectious diseases, Dr. Bharath possesses a thorough knowledge of child health and has a keen eye for detail. These traits characterise his disciplined and detail-conscious approach to medical practice. His areas of interest include paediatric infectious diseases, paediatric vaccinology, paediatric pulmonology, and general paediatrics. He is the Best Pediatric Doctor in Bangalore. Dr. Bharath B's foundational education includes an MBBS degree and an Internship from Adichunchanagiri Institute Of Medical Sciences (AIMS), B.G Nagar, Mandya, from August 2007 to August 2013. Additionally, he holds a Diploma in Child Health (DCH) from Kempegowda Institute Of Medical Sciences (KIMS), Bangalore, obtained in November 2016. Dr. Bharath completed a Fellowship in Infectious Diseases from UNSW, Australia (University of New South Wales) in February 2021, showcasing his commitment to advanced training in his specialized field. He also completed a certified course on COVID-19 Awareness and Management conducted by NATHEALTH and FICCI.

Furthermore, he has completed the Basic Pediatric Intensive Care Course organised by IAP CRITICON. He has also participated in the interactive course of the Best of ERS Program by the European Respiratory Society. Dr. Bharath's commitment to professional development is evident in his memberships and achievements. His work experience at Manipal Hospital Malleshwaram spans various roles, starting as a Junior Paediatric Registrar from 2016 to 2019, progressing to a Senior Paediatric Registrar from 2019 to 2022, and currently serving as a Paediatric Consultant. He is a lifetime member of the Indian Academy of Pediatrics (IAP). He has completed the Neonatal Resuscitation Program (NRP) by IAP-NNF NRP – First Golden Minute Project). Dr. Bharath completed a Bronchoscopy workshop conducted during the 54th Annual Conference of IAP. In the realm of talks and publications, Dr. Bharath has submitted four posters to the ESPID CONFERENCE-MALMO 2018, showcasing his commitment to contributing to the broader medical community and advancing knowledge in his field. His love for children and his interaction with them have positioned him as a top paediatric doctor in Bangalore.
