

DR. PUNEETH B S

Consultant - Medical Gastroenterology

Qualification

MBBS | MD | DrNB (Medical Gastroenterology)

Overview

Dr. Puneeth B S is a skilled gastroenterologist in Bangalore. He is currently practising as a Consultant - Medical Gastroenterology at Manipal Hospital Malleshwaram. With vast expertise in Therapeutic Endoscopy, ERCP, Pancreatology, Hepatology, and Liver Transplantation, Dr. Puneeth routinely manages complex gastroenterological conditions, performing advanced endoscopic procedures, and contributing to the field of gastroenterology through both clinical practice and research. He is the best gastroenterologist in Maleswaram, Bangalore. Dr. Puneeth's medical journey began with an MBBS degree from Kempegowda Institute of Medical Sciences (KIMS), Bengaluru followed by an internship at KIMS, Bengaluru, which provided him with practical training in various medical disciplines. He then pursued an MD - General Medicine at S. Nijalingappa Medical College, Bagalkot, RGUHS. To further his specialization, Dr. Puneeth completed his DrNB in Medical Gastroenterology at BGS Global Hospital, Bangalore. Throughout his education and training, Dr. Puneeth has demonstrated a profound commitment to his field. His thesis for his DrNB, titled “Comparative Study of Albumin Bilirubin

(ALBI) Score with Child Turcotte Pugh (CTP) Score, MELD Score, and MELD Na Score in Prognosis of Liver Cirrhosis", reflects his deep interest in improving the prognostic evaluation of liver cirrhosis. During his education and training period, Dr. Puneeth has worked closely with liver transplant teams in case selection, pre-transplant evaluations, and post-transplant management. Moreover, Dr. Puneeth is multilingual and fluent in English, Kannada, and Hindi, enabling him to communicate effectively with a diverse patient populace. His career objective is to seek a challenging role at a reputed hospital where he can fully utilize his skills, display his talents, and contribute as a valuable asset to both the hospital and the broader society. His dedication to advancing the field of medical gastroenterology through continuous learning, research, and patient care highlights his commitment to excellence in his speciality.
