

## DR. BHARATH KADADI

Consultant - Hand Wrist and Microvascular Surgery Orthopaedics

### Qualification

MBBS | MS (Orthopaedics)

### Overview

Dr. Bharath Kadadi is a professional orthopaedic health care professional focusing on Hand, Wrist, and Microvascular Surgery. He presently serves as a Consultant at Manipal Hospital in Malleshwaram, Bengaluru. With an impressive instructional background and considerable experience, Dr. Kadadi is known for his understanding of handling various top limb trauma instances, brachial plexus injuries, and various issues involving the hand and wrist. Dr. Bharath Kadadi finished his MBBS and MS in Orthopedics from J.S.S Medical College, Mysore 1993. He similarly honed his talents by obtaining fellowships in Hand and Microvascular Surgery and Hand and Brachial Plexus Surgery. He is a devoted member of prestigious businesses like the Indian Society of Surgery of the Hand, the Indian Orthopaedic Association, and the Karnataka Orthopaedic Association. In Hand and Upper Limb Surgery, Dr. Kadadi has consistently shown dedication, accountability, and independence. He has been working with Manipal Hospitals for the last ten years and has been in practice in Bangalore since 2003. He has treated a variety of hand, wrist, and brachial plexus conditions throughout his time at Manipal Hospitals, giving him cutting-edge knowledge and unwavering confidence in their therapy. Dr. Bharath Kadadi has been the director of Bengaluru Hand Centre since 2011, where he continues to share his knowledge and give patients the best care possible. He speaks English, Kannada, Hindi, Tamil, and Malayalam well, making it possible to communicate effectively with a wide range of patients. Dr. Bharath is the foremost hand surgeon in Bangalore. Dr. Kadadi has been widely known for his first-rate contributions to the field of orthopaedics. He was offered the celebrated Robert Acland Fellowship in 2011 by the Indian Society for Surgery of the Hand, which enabled him to visit the Pulvertaft Hand Unit in Derby United Kingdom, for four weeks. Additionally, he was awarded for appearing in the best variety of successful surgeries in HOSMAT Hospital, Bangalore, for three consecutive years (2004-2006). He has also been honoured with the Best Poster Award for his studies presentation titled "Surgical Release of Camptodactyly-Points to Ponder" at the National Hand Conference held in Chandigarh in 2006. Dr. Bharath Kadadi's services embody a wide variety of treatments and processes, which include warmth remedy, joint mobilisation, arthroscopy, spinal remedy, joint replacement surgical procedures, and fracture treatment, amongst others. His knowledge includes higher limb trauma, brachial plexus injuries, hand and wrist problems, sports activities injuries, joint replacements, and the control of numerous orthopaedic situations. With his notable qualifications, sizeable experience, and willpower to present the best-preferred care, Dr. Bharath Kadadi has earned recognition as a leading orthopaedic health practitioner in Hand, Wrist, and Microvascular Surgery. His dedication to his patients and contributions to the advancement of orthopaedics makes him a respected and sought-after professional within the clinical network.
