

DR. ANAND T GALAGALI

Consultant - Orthopaedic Surgery

Qualification

MBBS | MS Ortho

Overview

Dr. Anand T Galagali is a distinguished and highly accomplished orthopaedic surgeon in Malleshwaram with extensive expertise in joint replacement, arthroscopy, and complex trauma care. He is currently practising as a Consultant – Orthopaedic Surgeon at Manipal Hospital Malleshwaram, Bangalore, bringing over 30 years of comprehensive clinical experience in managing a wide spectrum of musculoskeletal conditions with surgical precision and long-term functional focus. Dr. Galagali completed his MBBS from Bangalore Medical College and went on to pursue his MS in Orthopaedics from B.J. Medical College, Pune, where he also achieved academic distinction. His advanced training includes the IAA-KT Dholakia Fellowship in Joint Replacement and an International Fellowship from the Karnataka Orthopaedic Association (UK), reflecting sustained engagement with evolving surgical techniques and global orthopaedic practices. In a hospital-based setting, Dr. Galagali’s clinical work spans both elective and emergency orthopaedic care, including degenerative joint diseases, sports injuries, and complex fractures. He is particularly experienced in arthroplasty procedures, including primary, revision, and robotic-assisted joint

replacements of the hip and knee. His structured surgical approach, combined with long-term rehabilitation planning, contributes to his recognition as one of the best orthopaedic surgeons in Malleshwaram for joint preservation and replacement procedures. Dr. Galagali has undergone extensive hands-on training in advanced orthopaedic techniques, including external fixation systems, complex trauma, and arthroscopic interventions. His continued participation in national and international workshops and conferences reflects a commitment to refining surgical outcomes and maintaining clinical relevance. His expertise also extends to arthroscopy and sports medicine, where he manages ligament injuries, meniscal tears, and joint instability through minimally invasive techniques. In trauma care, he is adept at handling complex fracture-dislocations and high-impact musculoskeletal injuries, ensuring timely stabilisation and restoration of function. His proficiency across these domains places him among the best orthopaedic surgeons in Malleshwaram for both acute injury management and planned orthopaedic interventions. Beyond clinical practice, he has held significant leadership roles within the orthopaedic community, including serving as President of the Bangalore Orthopaedic Society and President of the Karnataka Arthroscopy Society, and currently contributes as Chairman of the Scientific Committee, Karnataka Orthopaedic Association. His involvement in academic forums and professional bodies highlights his role in shaping orthopaedic education and clinical standards. Fluent in Kannada, Hindi, English, and Marathi, he communicates effectively with a diverse patient population, ensuring clarity in diagnosis, treatment planning, and post-operative care. At Manipal Hospital Malleshwaram, Dr. Anand T Galagali delivers comprehensive orthopaedic care that integrates surgical expertise with thoughtful clinical judgement, focusing on restoring mobility, reducing pain, and improving long-term quality of life.
