

## **DR. ANISHA JOSEPH C**

Consultant - Emergency Medicine

### **Qualification**

MBBS | MRCEM | DNB Emergency Medicine

### **Overview**

Dr. Anisha Joseph is a highly skilled consultant in Emergency Medicine at KMC Hospital, Mangaluru. She possesses extensive expertise in emergency procedures, acute patient management, and multidisciplinary collaboration, ensuring optimal healthcare outcomes for those in critical need. She completed an MBBS from the Jubilee Mission Medical College and Research Institute. She subsequently earned her Membership of the Royal College of Emergency Medicine (MRCEM) and solidified her knowledge of the field by pursuing a Diplomate of National Board (DNB) in Emergency Medicine from Manipal Hospital, Old Airport Road, Bangalore. Dr. Anisha Joseph is exceptionally proficient in point-of-care ultrasound (POCUS) for rapid diagnosis and is an expert in managing trauma, shock, and cardiac emergencies. Her diagnostic acumen extends to the precise interpretation of ECGs, X-rays, CT scans, and MRIs. Throughout her career, she has successfully performed a wide array of life-saving procedures under high-pressure conditions, including: Endotracheal intubation and central venous catheter insertion, HD catheter placement and tube thoracostomy, splint applications, suturing, and

paracentesis. Dr. Anisha Joseph is adept at leading Code Blue scenarios as she has completed extensive certifications in advanced trauma life support (ATLS), advanced cardiac life support (ACLS), paediatric advanced life support (PALS) and basic life support (BLS) Beyond her clinical skills, she is dedicated to continuous learning, consistently integrating the latest medical advancements and evidence-based research into her practice to provide cutting-edge care.

### **Field of Expertise**
