

DR. JEEDHU RADHAKRISHNAN

Cluster Head – Emergency Medicine

Qualification

MBBS | MD (Emergency Medicine) | FEM (Fellowship in Emergency Medicine)

Overview

Dr. Jeedhu Radhakrishnan is a highly experienced Consultant in Accident and Emergency Care with a strong background in managing critical and life-threatening situations. With over a decade of hands-on experience in emergency medicine, he has been at the forefront of delivering timely, efficient, and life-saving care to patients across diverse clinical settings. He completed his MBBS from Fr. Muller Medical College, Mangalore, followed by a Fellowship in Accident and Emergency Medicine from St. John’s Medical College Hospital, Bangalore. Further strengthening his expertise, he pursued an MD in Emergency Medicine from PES Institute of Medical Sciences and Research, Kuppam. Dr. Jeedhu Radhakrishnan has held several key roles throughout his career, including Senior Resident and Junior Resident in Emergency Medicine at St. John’s Medical College Hospital, and later as an Assistant Professor at PES Institute of Medical Sciences and Research. His work involves not only managing emergency cases but also supervising junior doctors, training postgraduate students, and mentoring paramedical staff. He has played an active role in conducting life support training programmes and has been an

instructor in ACLS (Advanced Cardiac Life Support) and BTLS (Basic Trauma Life Support). His clinical expertise spans a wide range of emergency procedures, including airway management, central line placements, trauma care, fracture immobilisation, and advanced resuscitation techniques. With experience in handling over hundreds of critical procedures such as intubations, trauma cases, and emergency interventions, he brings precision and confidence to high-pressure environments. Dr. Jeedhu Radhakrishnan has a special interest in toxicology, disaster management, and pre-hospital emergency care. His contributions also extend to research, with projects focusing on emergency interventions and road traffic accident severity. Notably, he was awarded a Gold Medal for securing the first rank in MD Emergency Medicine. Beyond clinical practice, he has actively participated in medical camps, disaster management initiatives, and national conferences, reflecting his commitment to both community healthcare and continuous learning. Known for his calm approach and quick decision-making, Dr. Jeedhu Radhakrishnan is dedicated to providing critical care when it matters most, ensuring patients receive immediate and effective treatment during emergencies.
