

DR. SATYANARAYAN N

Consultant - Surgical Gastroenterology

Qualification

MBBS | MS (Surgery) | Fellowship in Advanced Laparoscopy

Overview

Dr. Satyanarayana N is a highly experienced gastroenterologist in Mangalore, with over 24 years of clinical and surgical practice. He currently works as a consultant in surgical gastroenterology and serves as an associate professor in the Department of Surgery at KMC Hospital, Mangalore. His areas of expertise include gastrointestinal (GI), hepatobiliary, pancreatic, and advanced laparoscopic surgeries. Known for his precise surgical skills and patient-first approach, he is widely recognised as one of the best Gastroenterologists in Mangalore. Dr. Satyanarayana has performed more than 1,800 laparoscopic gallbladder surgeries and over 1,400 laparoscopic hernia repairs. He is among the few surgeons in Mangalore offering day-care laparoscopic hernia surgery, allowing patients to return home the same day with a faster recovery and minimal hospital stay. He has a special interest in gallbladder, pancreatic, liver, and colorectal surgeries, and is also well-trained in complex liver resections. Worked under Dr. Pradeep Rebala, a renowned Surgical Gastroenterologist, and received training in Surgical Gastroenterology as well as advanced Hepatobiliary and Pancreatic Surgery from 1999 to 2001. This included liver resection

and pancreatic surgery training instead of liver transplant training. In 2018, received further training in advanced laparoscopic colorectal surgery under Dr. Prakash at Aster Hospital, Cochin, and completed a Fellowship in Advanced Laparoscopy. He holds MBBS and MS qualifications. Dr. Satyanarayana has also completed advanced laparoscopic surgery training at GEM Hospital, Coimbatore, and liver transplant training at Apollo Hospitals, Bangalore. He is a life member of several professional associations, including the Indian Association of Surgical Gastroenterology (IASG), the Indian Association of Pancreas (IAP), the Association of Surgeons of India (ASI), and the Association of Minimal Access Surgeons of India (AMASI). He has published research articles in national journals on topics such as pancreatic surgery, liver conditions, fistulas, and more. His ongoing studies include post-ERCP cholecystectomy and outcome comparisons between open and laparoscopic surgeries. Dr. Satyanarayana actively contributes to medical education. He regularly delivers guest lectures and participates in national and state-level surgical conferences and CMEs. His blend of academic knowledge, surgical excellence, and compassionate care makes him a trusted name for anyone seeking treatment for GI or liver-related conditions. Fluent in Kannada, Tulu, English, Hindi, and Malayalam, he connects easily with patients from different regions and backgrounds. Whether you are searching for routine consultation or complex GI surgery, Dr. Satyanarayana offers trusted, expert care. His blend of academic depth and clinical excellence makes him one of the best gastroenterologists in Mangalore.
