

DR. ROHIT PAI

Consultant - Neurology

Qualification

MBBS | MD(Medicine) | DM(Neurology)

Overview

Dr. Rohit Pai is a highly accomplished Neurologist at KMC Hospital, Mangalore, with extensive expertise in diagnosing and managing a wide spectrum of neurological disorders. With a strong academic foundation and years of clinical experience, he is known for delivering precise, patient-centric care in both acute and chronic neurological conditions. Dr. Rohit Pai completed his MBBS from Kasturba Medical College, Mangalore, securing admission through Karnataka CET with an impressive rank. He went on to pursue his MD in General Medicine from KMC Manipal, followed by a DM in Neurology from the same institution, where he secured Rank 1 in the entrance examination. Further strengthening his credentials, he also completed his DNB in Neurology, clearing both theory and practical examinations in his first attempt. At KMC Hospital, Mangalore, Dr. Rohit Pai plays a vital role in providing advanced neurological care, focusing on conditions such as stroke, epilepsy, migraine, neuropathies, movement disorders, and neurodegenerative diseases. His clinical approach combines evidence-based medicine with a compassionate understanding of patient needs, ensuring holistic treatment outcomes. He has also been actively

involved in academic medicine, having served as an Assistant Professor of Neurology at reputed institutions including KMC Manipal, Malabar Medical College, and Father Muller Medical College. His teaching experience reflects his deep commitment to mentoring future doctors while staying updated with the latest advancements in neurology. Dr. Rohit Pai's contributions to medical research further highlight his expertise. He has published multiple original research articles and case reports in reputed international journals, covering complex neurological conditions such as mononeuritis multiplex, migraine-associated psychiatric disorders, and rare neurological syndromes. With specialised exposure in epilepsy, EEG, and paediatric neurology through advanced training at leading institutions, Dr. Rohit Pai brings a well-rounded and in-depth understanding of neurological sciences. His dedication to clinical excellence, research, and patient care makes him a trusted name for neurological treatment in Mangalore and beyond.
