

## DR. GIRISH GODBOLE

Consultant - Cardiology

### Qualification

MBBS | DNB (General Medicine) | DNB (Cardiology) | MRCP (UK) | FRCP Edin

### Overview

Dr. Girish Godbole is a cardiology specialist in Bangalore associated with Manipal Hospitals at Millers Road in Bangalore. He is associated as a Consultant in Cardiology. He has been serving for two decades as a heart doctor working in India and the UK. Dr. Godbole participated in clinical trials and research that covered over twenty years across all four phases as an Investigator, CRO, and Sponsor. Dr. Godbole's research papers have been published in many indexed journals and textbooks. He is a proud member of the National Academy of Medical Sciences and the Association of Physicians of India. He contributes regularly using his expertise for published health-based articles circulated online and in newspapers. He is also a valued member of the Fellowship of the Royal College of Physicians in Edinburgh, and they have been pleased with his contributions. Dr. Godbole practices what he preaches as a doctor by being an avid fitness enthusiast. Dr. Girish Godbole is known for participating in long-distance marathons on his days off, including 10k runs, half marathons, full marathons, and ultra-marathons. Dr. Girish is a top cardiology specialist in Bangalore. He always communicates with his patients by using the languages of Hindi, Kannada, and English to help them in the best possible way and ensure they know their treatment status. He earned his degrees of MBBS from Bangalore Medical College and Research Institute in 1993, DNB in General Medicine from St. John's Medical Institute in 2001, DNB in Cardiology, and MRCP from the Royal College of Physicians in 2003, London, UK, and FRCP from Edinburgh to good use. He is experienced greatly in the field of Device Management of Cardiac Arrhythmias and Device Management of Heart Failure. He can implant pacemakers, implantable cardioverters, defibrillators, CRT-P, and CRT-D. Dr. Godbole is the best for emergency coronary interventions for acute myocardial infarction. He knows coronary angioplasties like they are the back of his hand. This includes complex coronary interventions, bifurcation lesions, chronic total occlusions, and left main interventions. This experience comes from his extensive educational background and 29 years of experience in cardiology, and he is here to help at Manipal Hospitals, Millers Road, Bangalore.
