

DR. DHEERAJ KARANTH C

Consultant - Medical Gastroenterology

Qualification

MBBS | MD | DNB

Overview

Dr. Dheeraj Karanth C is a highly experienced gastroenterologist and liver specialist in Millers Road, with over 25+ years of clinical experience, including more than 15 years as a specialist. He is currently serving as a Consultant - Gastroenterology and Hepatology at Manipal Hospital Millers Road. Dr. Dheeraj is widely regarded for his expertise in managing a broad spectrum of digestive and liver disorders and is recognised as one of the best gastroenterologists in Millers Road, Bangalore. Dr. Karanth completed his MBBS from Gulbarga University in 2000, laying a strong foundation in internal medicine and clinical care. He then pursued advanced specialist training in Gastroenterology and obtained his DNB - Gastroenterology from Rajiv Gandhi University of Health Sciences, Bangalore, in 2010. This equipped him with deep expertise in diagnosing and treating complex gastrointestinal and liver conditions. Dr. Karanth's core field of expertise is therapeutic endoscopy, with proficiency in advanced procedures like endoscopic retrograde cholangiopancreatography (ERCP), diagnostic and therapeutic colonoscopy, upper and lower GI endoscopy, GI motility testing, and manometry. He has extensive

experience in managing pancreatic diseases, inflammatory bowel disease, and a wide range of upper and lower GI disorders, providing end-to-end care from diagnosis to advanced endoscopic treatment. In addition, Dr. Karanth is adept at performing specialised endoscopic interventions, including variceal and non-variceal bleeding control, band ligation, oesophageal dilatation, foreign body removal, endoscopic polypectomy, and liver biopsy. Over the course of his career, he has held key academic and clinical roles, including Lecturer in Emergency Medicine at St. John's Medical College, which have further strengthened his clinical acumen and procedural expertise. He remains committed to continuous learning and staying updated with advances in gastroenterology and hepatology. Dr. Dheeraj Karanth is known for his compassionate, patient-centric approach, personally overseeing all aspects of patient evaluation, treatment planning, and follow-up. His exposure to both academic medicine and high-volume clinical practice ensures that his treatment decisions are firmly rooted in evidence-based guidelines and current best practices. Patients value his clear communication, thorough assessments, and empathetic care, making him a well-known gastroenterologist and hepatologist in Millers Road, Bangalore.
