

DR. K. N. MANJUNATH

Consultant - Internal Medicine & Geriatrics

Qualification

MD | ABIM (USA) | FACP (USA)

Overview

Dr. K N Manjunath is an experienced internal medicine doctor in Bangalore, currently practising as Consultant - Internal Medicine & Geriatrics at Manipal Hospital Millers Road. With over 47+ years of clinical expertise in internal medicine and geriatric care, Dr. Manjunath has devoted his career to the comprehensive management of adult and elderly patients. His areas of focus include hypertension, diabetes, cardiovascular diseases, respiratory disorders, infectious diseases, and multi-organ disorders. His medical journey began with an MBBS from JJM Medical College, Davangere, followed by Residency Programs on Rehab Medicine (University of Texas Hospital, Texas, USA) and Internal Medicine (Oakwood Hospital, Michigan, USA). Dr. Manjunath also obtained American Board Certification in Internal Medicine and Geriatrics (ABIM) and Fellowship of the American College of Physicians (FACP) during his stint in the USA. He is highly regarded for his deep clinical insight, diagnostic acumen, and patient-centred approach to care. Dr. Manjunath is also a distinguished expert in geriatric medicine. He has a nuanced understanding of the complex medical, functional, and psychosocial issues affecting older adults. He provides

comprehensive geriatric assessments and manages polypharmacy, age-related cognitive decline, falls, osteoporosis, incontinence, and chronic degenerative conditions. He focuses on preserving the functional independence and quality of life for elderly patients, addressing both the clinical and emotional aspects of ageing with empathy and respect. At Manipal Hospital Millers Road, Dr. Manjunath collaborates with multidisciplinary teams to deliver integrated care, particularly for patients with multiple comorbidities. His clinical approach integrates careful assessment, logical reasoning, and thorough follow-up, resulting in effective and sustained patient outcomes. Besides clinical care, Dr. Manjunath has also been a part of multiple organizations, such as the Indian Association of Physicians, Indian Medical Association (IMA), American College of Physicians, and more. Known for a calm demeanour and patient-centric philosophy, Dr. Manjunath takes the time to build lasting relationships with his patients and their families. He also mentors younger physicians and stays current with medical advancements through continuous professional development and participation in medical associations. His vast experience has taught him to treat not just the disease but the individual as a whole, with a special emphasis on dignity, comfort, and holistic well-being.
