

DR. SATISH T

Consultant - Anaesthesiology

Qualification

DA | DNB

Overview

Dr. Satish T, an anesthesiologist, has exceptional expertise in clinical practice, medical research, and academic teaching. Dr. Satish has a Diploma in Anaesthesiology (DA) and a Diplomate of the National Board (DNB), making him a highly skilled and experienced anesthesiologist. He is currently working as a Consultant - Anesthesiology specialist at Manipal Hospitals on Millers Road, Bengaluru. He is a highly skilled and competent doctor. The doctor has amassed enormous control and understanding of Parkinson's disease and movement disorders over his lengthy and promising professional career. Dr. Satish T, an anesthesiologist with outstanding credentials and accomplishments, has devoted his life to helping patients in Bangalore, India. With more than 16 years of experience, Dr. Satish has collected a vast body of knowledge and competence in every area of anaesthesia. His expertise includes bariatric anaesthesia, regional blocks with ultrasound guidance, and anaesthesia for onco and hepatobiliary procedures. He is skilled in managing critical care, high-risk situations, and challenging airways. Dr. Satish has dedicated his career to providing the finest care possible for his patients, as seen by

the numerous organisations and affiliations he holds. Additionally, he was honoured with a national anaesthetic quiz award. He has been asked to speak at a number of conferences and CMEs for anaesthesia. Dr. Satish is the best anaesthesiologist in Millers Road, Bangalore. Dr. Satish belongs to esteemed medical organisations like the Indian Medical Association and the Indian Society of Anaesthesiologists. These affiliations strengthened his reputation as an esteemed member of his fraternity and assisted him in creating an established network of like-minded individuals. It is noteworthy that Dr. Satish is active in these organisations, demonstrating both his dedication to his career and his determination to keep up with the most current advancements in anesthesiology. His ability to communicate effectively with patients is just another of Dr. Satish's exceptional traits. He speaks English, Malayalam, Hindi, and Kannada fluently, among other languages. Patients from various socioeconomic and cultural backgrounds may interact with him. Dr. Satish can soothe and calm patients before surgery since he can explain medical procedures in a way that patients may understand. He treats every one of his patients with care and gives their needs and concerns his undivided attention. The Anaesthesiology fraternity greatly values the contributions made by Dr. Satish. He is praised for his careful attention to every little detail, precise diagnosis, and considerate care of his patients. He has handled several challenging medical situations. He has won the respect and admiration of both his colleagues and patients thanks to his wide knowledge, dedication to research, and strong devotion to patient care. The medical field is very fortunate to have Dr. Satish as an esteemed and in-demand anesthesiologist.
