

DR. SUNIL DWIVEDI

Consultant - Cardiology

Qualification

MBBS, MD Medicine, DM Cardiology,

Overview

One of the expert cardiologists, Dr. Sunil Dwivedi, practises at Manipal Hospitals in Millers Road, Bangalore. He is a renowned physician with more than ten years of expertise in the fields of cardiology and general medicine. He has extensive knowledge in the field of cardiology. This encompasses areas like complex coronary intervention, which offers IVL and rotablation, as well as coronary imaging, which includes IVUS and OCT. Other areas of his expertise include peripheral vascular interventions and treatment for heart failure and pacemakers. Dr. Sunil Dwivedi has completed his MBBS and has finished his MD in medicine. He has a Doctorate in Medicine in Cardiology. Dr. Sunil Dwivedi is part of numerous medical organisations and medical associations across the country. He also has membership and fellowship with multiple institutions. He is a member of the Indian Medical Association. He has a fellowship with the Society for Cardiovascular Angiography & Interventions (SCAI) which is one of the leading nonprofit medical societies that represent invasive and interventional cardiology. Additionally, he also has a fellowship with the Cardiological Society of India (CSI). One of his most spectacular achievements is the

observership he received in the year 2010 from Texas Heart Institute in peripheral vascular intervention. Dr. Sunil is the best cardiologist in Millers Road, Bangalore. Dr. Sunil Dwivedi has authored articles about cardiology due to his expertise in the subject. His heart health-related papers are among his best-known works. He has written about "How fevers could trigger a heart condition" for the medical magazine Happiest Health. Additionally, he has also written for the Indian Express on the topic " Does Every Heart Patient Need a Beta Blocker for Life? A New Study Shows This". Both of these are published articles. Dr Sunil Dwivedi is extremely fluent in languages such as English and Hindi. This has been of utmost use when he travels across the country to attend several local and state-wide conferences and meetings. Being fluent in both these languages has also assisted him in being up to date with all current happenings and other latest developments in the medical field. Being one of the best doctors at Manipal Hospitals, Dr. Sunil Dwivedi contributes to the success of Manipal Hospitals. He is always available to check up on patients who suffer from heart ailments. Dr. Narendra V is a well-known cardiovascular and cardiothoracic surgeon who is currently practising in Bangalore. His experience in Manipal Hospital, Millers Road, Bangalore as a cardiovascular and thoracic surgery specialist is abundant. His experience spans over two decades in the field of cardiovascular surgery and vascular surgery.
