

DR. SHASHIKALA KSHEERASAGAR

Consultant – Obstetrics & Gynaecology

Qualification

MBBS | DGO | MRCOG | FRCOG | FRM

Overview

Dr. Shashikala Ksheersagar is a highly esteemed consultant obstetrician and gynaecologist practising at Millers Road in Bangalore. Since 2009, Sge has offered top-notch healthcare services. Regarding her medical qualifications, she got a Diploma in Obstetrics and Gynaecology after graduating from the reputed Karnataka Institute of Medical Sciences in Hubli. The esteemed membership of the Royal College of Obstetricians and Gynaecologists (FRCOG) is another significant achievement she has earned. She has impressive 19 years of expertise in the industry that established her as one of the most respected doctors in India. Being a member of the prestigious Royal College of Obstetricians and Gynaecologists in London further demonstrates her dedication to upholding the highest standards and promoting the profession. These alone are sufficient to demonstrate her field knowledge. Dr. Ksheersagar possesses extensive experience in handling high-risk pregnancies and managing complex conditions. Systemic lupus erythematosus (SLE), rheumatoid arthritis, diabetes, hypertension, convulsions, and severe anaemia are among the illnesses in which she specialises. She boldly handles these difficult

instances because of her extensive training and abundance of experience, ensuring the good health of the mother and the newborn. Dr. Ksheersagar also knows about various gynaecological techniques, such as hysteroscopy, dilatation and curettage (D&C), polycystic ovary syndrome (PCOS), premature ovarian failure, and primary and secondary amenorrhea. Thanks to her considerable training, she has the knowledge and abilities to offer her patients complete assistance and tailored treatment regimens. Dr. Shashikala is the best gynaecologist in Millers Road, Bangalore. Dr. Ksheersagar has received several awards and certificates for her exceptional performance. In July 1996, she received a certificate of excellence for her outstanding work in forensic medicine. She has also been honoured by King Fahad Hospital in Saudi Arabia Kingdom as the best professional of the month, highlighting her devotion to her field and drive for perfection. Dr. Ksheersagar has also contributed significantly to the field through her talks and publications. She has written articles highlighting her knowledge and has given captivating speeches on various topics. She wrote a paper for India's Journal of Obstetrics and Gynaecology on "Breast Cancer in Pregnancy." Her dedication to staying current with medical research and disseminating her knowledge to colleagues and the medical profession is admirable. Because of her wealth of knowledge, commitment to providing outstanding care for patients, and contributions to the discipline of obstetrics and gynaecology, Dr. Shashikala Ksheersagar is a well-respected medical professional. Her dedication to upholding high standards, a wide range of specialities, and a sympathetic approach to patient care guarantee that her patients get the best care and have successful outcomes. Dr. Ksheersagar continues to profoundly affect her patients' lives due to her constant dedication to quality and enthusiasm for her line of work.
