

DR. USHA B K

Consultant - Pediatrician and Neonatologist

Qualification

MBBS | DCH | MD (Pediatrics)

Overview

Dr. Usha B K is a top neonatologist in Bangalore at Manipal Hospitals Millers Road. With an impressive array of qualifications, including an MBBS, DCH, MD in Pediatrics, and FIPM (Fellowship in Perinatal Medicine), she possesses a strong foundation in medical expertise. Additionally, she has completed a PG in Pediatric Nutrition from Boston, further enhancing her knowledge and skills. Dr. Usha B K is an active member of reputable medical organizations, such as the Indian Academy of Pediatrics and the National Neonatology Forum. Her dedication to continuous learning and professional growth is evident through her specialization in managing preterm and low birth weight babies, neonatal intensive care, vaccination, and nutrition. Specializing in Pediatrics and Neonatology, Dr. Usha B K provides comprehensive care to infants, children, and adolescents. Her compassionate and patient-centred approach ensures that each child receives individualized attention and care tailored to their unique needs. She is proficient in diagnosing and managing various pediatric conditions, and her expertise in neonatology enables her to provide specialized care to newborns and premature infants. Dr. Usha B K's interests extend to

infectious disease management, allergy and asthma care, and she actively engages in research and educational activities to stay up-to-date with the latest advancements in her field. She believes in empowering parents with knowledge and involvement in their children's care, fostering strong relationships with families under her care. With her extensive qualifications, dedication to ongoing learning, and compassionate approach, Dr. Usha B K is a trusted and respected Pediatrician and Neonatologist, providing exceptional care to her young patients at Manipal Hospitals Millers Road.
