Consultant - Dental Medicine

Qualification

BDS from SDM College Dharwad | MDS from Rajiv Gandhi University

Overview

Dr. Pritham N Shetty is a distinguished Oral & Maxillofacial Surgeon in Bangalore, currently practising at Manipal Hospitals Millers Road as a Consultant - Dental Medicine. With over 23 years of clinical experience, Dr. Pritham has earned a reputation for exceptional skills and expertise in a broad spectrum of oral and maxillofacial surgical procedures. His primary areas of expertise include Facial Deformity Correction, Maxillofacial Trauma, Temporomandibular Joint (TMJ) Disorders, Cleft and Craniofacial Surgery, and Wisdom Tooth Extraction. Dr. Pritham Shetty completed his Bachelor of Dental Surgery (BDS) from S.D.M College, Dharwad, and further specialised with a Master of Dental Surgery (MDS) from Rajiv Gandhi University. As a top dental surgeon in Millers Road, his comprehensive approach ensures that patients receive personalised, effective treatment tailored to their specific needs, whether they require intricate surgical interventions or routine dental care. His extensive experience in facial deformity correction and maxillofacial trauma has made him a sought-after specialist for complex cases requiring precise surgical intervention. In his practice, Dr. Pritham employs state-of-the-art techniques and technologies to

ensure the highest standards of care. His approach is characterised by meticulous attention to detail, a deep understanding of facial anatomy, and a compassionate commitment to patient well-being. Dr. Pritham's dedication to his profession and patients is evident in every aspect of his practice. His expertise in TMJ-related issues addresses a wide range of disorders that affect the jaw joint and muscles, providing relief and improved function for patients suffering from these conditions. His proficiency in cleft and craniofacial surgery has helped numerous patients achieve significant improvements in both aesthetics and functionality. As a dedicated professional, Dr. Pritham is a member of the International Association of Oral and Maxillofacial Surgeons (IAOMS), which reflects his commitment to staying updated with the latest advancements and best practices in his field. Being multilingual and fluent in English, Kannada, Hindi, and Telugu, he is able to communicate effectively with a diverse patient population, making them feel comfortable and informed throughout their treatment journey. His commitment to excellence, coupled with his compassionate approach, has earned him the trust and respect of both his patients and peers.
