

DR. CHETHAN L

Consultant - Dental Medicine

Qualification

BDS | MDS (Endodontics and Restorative Dentistry)

Overview

Dr. Chethan L is a highly skilled Consultant - Dental Medicine at Manipal Hospitals Millers Road, Bangalore, specialising in Endodontics and Restorative Dentistry. With over 15 years of clinical experience, Dr. Chethan has established himself as a prominent figure in the field of dental care. His primary focus areas include Root Canal Treatment and Retreatment, Tooth-Colored restoration, Smile Designing, Cosmetic Treatments, and Endodontic Surgeries. His meticulous approach and attention to detail ensure that each patient receives personalised and effective care. Dr. Chethan L completed his Bachelor of Dental Surgery (BDS) from MS Ramaiah Dental College and Hospital and furthered his expertise with a Master of Dental Surgery (MDS) from Vokkaligara Sangha Dental College and Hospital. Dr. Chethan is keenly interested in Micro Endodontics and has undergone special training to hone his skills in the precision of endodontic procedures. He is an active member of the Indian Endodontic Society (IES) and the Indian Association of Conservative Dentistry and Endodontics (IACDE). Dr. Chethan’s passion for dentistry extends beyond his clinical practice. He actively participates in professional development and stays updated

with the latest advancements in dental medicine. His dedication to advancing his knowledge and skills is highlighted by his participation in numerous scientific conferences. Notably, he won the Best Poster Award at the Esthetic Specialty Conference of the Indian Academy of Aesthetic and Cosmetic Dentistry (IAACD) held in 2014, showcasing his expertise and innovative approach to the field. His unwavering commitment to continuous learning and excellence in patient care has earned him a stellar reputation among his peers and patients alike, ensuring that you will always receive the highest standard of care. Being multilingual, he is fluent in English, Kannada, Hindi, and Telugu, ensuring effective communication with a diverse patient population. His compassionate approach, combined with his extensive expertise, makes him a trusted and sought-after dental doctor in Millers Road.
