

DR. VENUPRASAD N

Associate Consultant - General Surgery

Qualification

MBBS | MS (GENERAL SURGERY) | DNB GENERAL SURGERY | FIAGES
(LAPAROSCOPIC SURGERY)

Overview

Dr. Venuprasad N is a general surgeon in Bangalore, currently practising as an Associate Consultant - General Surgery at Manipal Hospitals Millers Road, Bangalore. With specialization in laparoscopic and minimally invasive procedures, Dr. Venuprasad brings experience and proficiency in trauma surgery, tissue repair, and advanced laparoscopic techniques, aiming to improve patient outcomes and quality of life. In his clinical practice, Dr. Venuprasad is adept at handling various complex cases, including trauma surgery, emergency interventions, and specialised gastrointestinal surgeries. His expertise extends to endoscopy and post-operative management. As part of his practice, he also conducts minor surgical procedures, such as excisions, biopsies, and drainage, demonstrating comprehensive skills in general surgery. His commitment to patient care includes counselling patients and their families on treatment options and post-operative care, ensuring a holistic approach to recovery. Dr. Venuprasad completed his MBBS at the Mandya Institute of Medical Sciences, where he was awarded the MHRD scholarship throughout his medical education and was an active member of the Junior Doctors

Association of Karnataka. He pursued his MS in General Surgery at the Sapthagiri Institute of Medical Sciences in Bengaluru, excelling academically by ranking 1st in his university's postgraduate exams. He holds a DNB in General Surgery from the National Board of Examinations, New Delhi. He is certified by the FIAGES (Fellowship of the Indian Association of Gastrointestinal Endosurgeons), which focuses on laparoscopic surgery. Dr. Venuprasad completed basic endoscopy and biomedical research courses, adding to his robust knowledge base. In his clinical practice, Dr. Venuprasad is adept at handling various complex cases, including trauma surgery, emergency interventions, and specialised gastrointestinal surgeries. His expertise extends to endoscopy and post-operative management. As part of his practice, he also conducts minor surgical procedures, such as excisions, biopsies, and drainage, demonstrating comprehensive skills in general surgery. His commitment to patient care includes counselling patients and their families on treatment options and post-operative care, ensuring a holistic approach to recovery. Dr. Venuprasad has been awarded for his research contributions, including the International Best Researcher Award by the International Society for Scientific Network Awards and accolades for presentations at prestigious conferences. His scholarly publications cover topics such as surgical interventions for hypertension and rare cases in gastrointestinal surgery, underscoring his dedication to advancing surgical knowledge. Dr. Venuprasad is fluent in Kannada, Hindi, and English, enabling him to communicate effectively with diverse patients. His patient-centred approach and clear communication foster strong patient relationships, making him a trusted healthcare provider in Bangalore.
