

DR. VIVAAN DUTT

Associate Consultant – Surgical Oncology

Qualification

MBBS | MS (General Surgery) | PGDMLE | MRCSEd | MCh (Surgical Oncology)

Overview

Dr. Vivaan Dutt is a dedicated Associate Consultant – Surgical Oncology at Manipal Hospital Millers Road, with specialized training in the management of complex cancers and multidisciplinary oncology care. With expertise spanning breast oncology, gastrointestinal malignancies, genitourinary cancers, and palliative oncology, Dr. Vivaan combines surgical precision with a patient-centric approach to deliver evidence-based cancer treatment. His clinical interests include advanced cancer surgery, early palliative care integration, and improving outcomes through multidisciplinary management. Dr. Vivaan completed his MBBS from Ramaiah Medical College, Bangalore, followed by an MS in General Surgery from Rajiv Gandhi University of Health Sciences. He further pursued a Postgraduate Diploma in Medical Law and Ethics from the National Law School of India University (NLSIU), Bangalore, and earned the prestigious Membership of the Royal College of Surgeons of Edinburgh (MRCSEd). He is currently completing his MCh in Surgical Oncology at the Cancer Institute (WIA), Chennai, one of India's premier cancer centres, and is enrolled in an MSc in Surgical Science and Practice at the University of Oxford, UK.

During his surgical career, Dr. Vivaan has worked as a Senior Resident in General Surgery at Vijayanagar Institute of Medical Sciences and Bangalore Medical College and Research Institute. He has also actively contributed to healthcare policy and international surgical education through his roles with Health Parliament and InciSion Global. His academic interests include quality improvement initiatives, early palliative care integration, and advancing surgical oncology practices. He has undergone specialised training in advanced laparoscopic surgery, biomedical research, clinical trial protocol development, and global health advocacy, strengthening his ability to provide comprehensive oncological care. Dr. Vivaan Dutt has an impressive academic and research portfolio with publications in reputed journals, including the Journal of Clinical Oncology (JCO), BMJ Supportive & Palliative Care, Clinical Genitourinary Cancer, Indian Journal of Urology, and the Journal of South Asian Federation of Obstetrics and Gynaecology. His work has been recognised internationally, earning him the Drs Nicole M Kuderer and Gary H Lyman Endowed Merit Award from ASCO, the Best Paper Presentation Award at URO-ONCOCON 2023, and a scholarship to attend the McGill University Summer Institute in Global Health. Through his commitment to research, innovation, and compassionate cancer care, Dr. Vivaan continues to contribute to advancing the field of surgical oncology and improving patient outcomes.
