

## **DR. RAJINDER SINGH GAHEER**

Senior Consultant - Orthopaedics and Joint Replacement Surgery

### **Qualification**

MBBS | MS (Orthopaedic) | MCh (Orthopaedic) | Diploma Sports Medicine (UK)

### **Overview**

Dr. Rajinder Singh Gaheer is a distinguished senior orthopaedic surgeon at Manipal Hospitals, Mukundapur, boasting an extensive and illustrious career spanning 27 years, including 20 years of specialised expertise in orthopaedics. He completed his Bachelor of Medicine and Bachelor of Surgery (MBBS), and Master of Surgery (MS) in Orthopaedics from the prestigious Calcutta Medical College. Dr. Gaheer further honed his surgical skills and advanced medical knowledge at various internationally recognised centres of excellence in the United Kingdom and made significant contributions to the National Health Service (NHS) for nearly fifteen years. He completed an advanced fellowship at the renowned Golden Jubilee National Hospital in Glasgow, specialising in hip and knee replacements, including complex revision Arthroplasties. he is the Best Orthopedic Doctor in Kolkata. Since his return to Kolkata in 2016, Dr. Gaheer has been a key medical professional and a pivotal figure in the region's healthcare sector. His proficiency encompasses performing total joint replacements of the hip and knee, Arthroscopy (minimally invasive surgeries) of the hip, knee, and shoulder joints, as well as treating intricate fractures and severe

trauma cases. He is also a distinguished fellow and member of several prestigious professional societies, including the Royal College of Physicians and Surgeons of Glasgow, and the Royal College of Surgeons of Edinburgh, and he holds the esteemed title of Fellow of the Royal College of Surgeons of Edinburgh (Orthopaedics). Dr. Gaheer's academic contributions are notable and influential, with numerous publications in high-impact international journals. He has also been a valued faculty member at prestigious AO Foundation Courses and various Arthroscopy and Arthroplasty educational courses, where he imparts his extensive knowledge and experience to upcoming surgeons. Additionally, he serves on the editorial board of several esteemed medical journals, further cementing his reputation as a leading expert and thought leader in his field. Dr. Rajinder Singh Gaheer is not only a distinguished senior orthopaedic surgeon at Manipal Hospitals, Mukundapur, but he is also multilingual and fluent in Bengali, English, Hindi, Punjabi, and French. This linguistic proficiency enables him to effectively communicate with a diverse patient population, ensuring clear and personalised care tailored to individual needs.
