

DR. SUMANTRA RAY

Consultant - General and Laparoscopic Surgery

Qualification

MBBS | MS | DMAS (Bariatric Surgery)

Overview

Dr. Sumantra Ray is a laparoscopic surgeon with over 15 years of extensive experience and the best General Physician Doctor in Kolkata working at Manipal Hospitals, Mukundapur, Kolkata. Dr. Ray earned his MS (Master of Surgery) from the West Bengal University of Health Sciences following his MBBS (Bachelor of Medicine and Bachelor of Surgery) from Calcutta University. Dr. Ray furthered his specialisation by completing a DMAS (Diploma in Minimal Invasive Surgery) in Bariatric Surgery from the Association of Minimal Access Surgeons of India. Dr. Sumantra Ray actively participates in various professional organisations and, along with holding prestigious memberships in institutions such as the Royal College of Surgeons of Edinburgh, he also has memberships from the International College of Laparoscopic Surgeons (ICLS) and the Association of Surgeons of India (ASI). Dr. Ray is an expert in performing Laser Therapy, General and Laparoscopic Surgeries, Advanced Laparoscopic Surgery, Anorectal Surgery, and Bariatric Surgery, along with treating Breast Cancer. He is also proficient in performing Mastectomy, Pilonidal Sinus surgery, Haemorrhoid treatment, and Umbilical Hernia repair. In addition to his

surgical skills, Dr. Ray is proficient in multiple languages, including Hindi, English, and Bengali. This linguistic versatility allows him to communicate effectively with a diverse range of patients, ensuring they feel comfortable and understood throughout their treatment. Patients appreciate his compassionate approach, clear explanations, and the personalized care he provides, making him a trusted and sought-after surgeon in his field.

Fellowship & Membership

- Fellowship in Minimal Access Surgery, The Association of Minimal Access Surgeons of India.
- Fellowship of Indian Association of Gastrointestinal Endo Surgeons (FIAGES).
- Member of International College of Laparoscopic Surgeons.

Field of Expertise

- Skilled in various routine and complex surgical procedures, ensuring the highest standards of patient care and surgical outcomes.
- Expert in minimally invasive techniques that reduce recovery times and improve surgical precision, covering a broad spectrum of conditions.
- Specialises in the surgical treatment of gastrointestinal tract disorders, including both upper and lower GI conditions, with a focus on enhancing patient recovery and long-term health.
- Utilises advanced laser technology to treat anorectal conditions, offering patients minimally invasive options with faster healing times and less post-operative discomfort.
- Provides surgical solutions for obesity and its related complications, helping patients achieve significant weight loss

and improve their overall quality of life through procedures like gastric bypass and sleeve gastrectomy.
