

DR. MONIDEEPA DUTTA

Consultant - Paediatrics

Qualification

MBBS | DNB | MRCPCH(UK) | IDPCCM

Overview

Dr. Monideepa Dutta is a renowned consultant paediatrician at Manipal Hospitals, Mukundapur. She has served extensively as a paediatrician, among which she has dedicated 8 years to serving in the Paediatric Intensive Care Unit (PICU). Dr. Dutta is renowned for her exceptional medical expertise and compassionate patient care, dedicating her career to diagnosing and treating a diverse array of medical conditions. She provides personalised healthcare services, ensuring each patient receives individualised attention and treatment. She commenced her medical journey in 1999 with an MBBS from Calcutta National Medical College. Dr. Dutta further pursued her postgraduation in Paediatrics (DNB) at a top hospital in Delhi, followed by two years as a registrar in the Neonatal Intensive Care Unit (NICU). She is a Good Pediatrician in Mukundapur, Kolkata Returning to Kolkata in 2015 after a decade in Delhi, she honed her skills in a Level 3 PICU while completing the IDPCCM (IAP-ICC Fellowship course in Paediatric Intensive Care). Achieving MRCPCH (UK), she balances general Paediatrics with PICU care, driven by a passion for treating critically ill children. Dr. Dutta’s expertise includes managing patients on life support such as invasive

mechanical ventilation. Dr. Dutta's areas of interest encompass the treatment of sepsis and septic shock, Neurocritical Care, and Trauma Care, where she strives to deliver the best possible care. If you are looking for a good Paediatrician in Mukundapur, Kolkata, visit Manipal Hospitals. Keen on academic pursuits, she actively participates as faculty in state and national-level Continuing medical education (CMEs), conducts workshops on bedside procedures in PICU, and mentors junior colleagues and nursing staff. Dedicated to continuous learning, she completed Pediatric Advanced Life Support (PALS) training, conducted internal PALS sessions, and obtained accreditation as a teacher from the National Board of Examinations (NBE). Dr. Dutta is an EB member of the Society of Paediatric Intensive Care Kolkata, and she won 2nd prize in clinical case presentation in Paediatric Intensive Care Monsoon CME 2019. Dr. Dutta is fluent in Hindi, English, and Bengali, which helps her treat diverse sets of patients
