

DR. BISWAJYOTI GUHA

Consultant - Obstetrics And Gynaecology

Qualification

MBB | MD | FRCOG (London) | DFFP (London) | FICOG

Overview

Dr. Biswajyoti Guha is a well-known consultant in the Department of Obstetrics and Gynaecology at Manipal Hospitals, Mukundapur, Kolkata, with a career spanning more than three decades, including 22 years as a specialist in the field. He graduated with a Bachelor of Medicine and Bachelor of Surgery (MBBS), and a Doctor of Medicine (MD) in Obstetrics & Gynaecology, followed by a Diploma of the Faculty of Family Planning (DFFP). Dr. Guha's pursuit of excellence in the domain has also led him to obtain fellowships, notably from the Royal College of Obstetricians and Gynaecologists (RCOG) and the Federation of Obstetric and Gynaecological Societies of India (FOGSI). He is the foremost Gynaecologist in Mukundapur, Kolkata. Dr. Guha’s expertise lies in the areas of performing normal and high-risk pregnancies, treating subfertility patients, and advanced Endoscopic and other Minimal Invasive Surgeries. He also carried out a vast number of high-risk pregnancies, ensuring the health of both the mother and the baby. Dr. Guha is a member of several illustrious organisations, including the Royal College of Obstetricians and Gynaecologists (MRCOG). His acumen and professional excellence in the field have encouraged him

to continuously collaborate with his peers in the field of research, publishing several papers in various national and international journals. Dr. Guha's commitment to providing high-end care for his patients has also motivated him to stay updated on the latest advancements and deliver talks at several local, national, and international conferences. His contributions are greatly appreciated, and he has been felicitated for his exceptional dedication to the domain. Dr. Guha's linguistic expertise includes proficiency in Hindi, English, and Bengali. His diligence and perseverance have developed a good rapport between him and his patients. Dr. Guha's remarkable clinical proficiency, empathy, and skill set have made him a distinguished medical professional in the domain of obstetrics and gynaecology.
